RE: RANDOLPH A. HEARST, VICTIM'S FATHER:

ON MARCH 21 AND 22, 1974, RANDOLPH HEARST, MEMBERS OF HIS IMMEDIATE~~ED~~ FAMILY, AND THEIR ASSOCIATES ENGAGED IN PREPARATION FOR THE NEXT PEOPLE IN NEED (PIN) FOOD GIVE-AWAY PROGRAM WHICH HAS NOW BEEN RESCHEDULED FOR MARCH 25, 1974. HEARST CONTINUES TO INDICATE THAT WHEN THIS DISTRIBUTION OF FOOD IS COMPLETED, THE \$2,000,000 IN FUNDS MADE AVAILABLE TO PIN WILL HAVE BEEN EXPENDED AND THAT HIS PERSONAL FUNDS ARE EXHAUSTED.

IT APPEARS NOW, ACCORDING TO SOURCES CLOSE TO HEARST, THAT HE WILL MAKE A PUBLIC STATEMENT EITHER LATE EVENING MARCH 25, 1974 OR SOMETIME ON MARCH 26, 1974.

RE: "COURIER PROGRAM":

DURING EVENING OF MARCH 21, 1974. AGENTS PARTICIPATING IN THIS PROGRAM SUCCESSFULLY FISURED [REDACTED] AND AN UNIDENTIFIED FEMALE COMPANION. HER COMPANION THEN FOLLOWED WHAT APPEARED TO BE A DRY CLEANING

A TELEPHONE IN A MOBIL STATION, 55TH STREET AND EAST 14TH

THE TELEPHONE BOOTH, HOWEVER, MADE NO CALLS. THEY THEN
PROCEEDED EAST AND WEST ON EAST 14TH AVENUE, AFTER MAKING U-TURNS
AND WHAT APPEARED TO BE A SECOND DRY CLEANING OPERATION, AND
THEN RETURNED TO THE SAME TELEPHONE BOOTH MENTIONED ABOVE.
THE TELEPHONE BOOTH WAS OCCUPIED AND AFTER SEVERAL MINUTES, THE

ON EAST 14TH AVENUE, WHERE THE FEMALE PASSENGER MADE A TELEPHONE
CALL. THEY NEXT PROCEEDED TO THE SAFEWAY PARKING LOT, 66TH

THE STORE AND CONTACTED A MALE CLERK. AFTER LEAVING THIS LOCATION,
THEY RETURNED TO THEIR RESIDENCE AT [REDACTED] IT WAS LATER
ASCERTAINED FROM THE GROCERY CLERK THAT THE PASSENGER OF [REDACTED]
ASKED FOR THE LOCATION OF THE "SON OF MAN TEMPLE" IN EAST OAKLAND.

RE: POSSIBLE UNDATED SLA COMMUNIQUE - SAN FRANCISCO,

"THE SAN FRANCISCO PHOENIX", AN UNDERGROUND NEWSPAPER
OF SAN FRANCISCO, IN THEIR EDITION DATED THROUGH APRIL 4,
1974, CARRIED OVER A PAGE IN LENGTH LETTER ON WHAT THEY
TERMED MAY BE AN EXCLUSIVE INTERVIEW WITH THE SYMBIONESE
LIBERATION ARMY (SLA). THE ARTICLE EXPLAINED THAT IN THE
LAST ISSUE OF "THE PHOENIX" THEY RAN A LIST OF 23 QUESTIONS
THEY DESIRED TO ASK THE SLA. A FEW DAYS BEFORE GOING TO
PRESS WITH THE CURRENT ISSUE THEY REPORTEDLY RECEIVED THE
FOLLOWING ANSWERS. THE PAPER POINTS OUT THAT IT IS IMPOSSIBLE

AND CONTENT IS SO SIMILAR TO OTHER COMMUNICATIONS FROM THE SLA THAT THEY CONSIDER IT A DISTINCT POSSIBILITY. THE LONG COMMUNIQUE READS IN PART - "... IT IS THE PRACTICE OF THE SYMBIONESE LIBERATION ARMY TO ACT RATHER THAN TALK AND WE MUST ACT AS THOUGH WE WERE ONE BODY ... WE TEACH THAT SOCIALISM IS AS OLD AS MAN AND THAT THERE ARE ONLY TWO WAYS IN WHICH SOCIETIES CAN BE GOVERNED AND ORGANIZED FOR THE PRODUCTION OF THE PEOPLE'S NEEDS; EITHER THROUGH THE TOTALITARIAN METHODS REPRESENTED BY OUR PRESENT FASCIST CAPITALIST SYSTEM OR BY THE EGALITARIAN METHOD WHICH IS PEOPLE'S GOVERNMENT AND ECONOMICS AND THIS IS SOCIALISTIC, DIALECTICAL AND MATERIALIST... ABOUT THE CRITICISM THAT THE SLA HAS BEEN RECEIVING FROM MANY SO-CALLED 'LEFT' ORGANIZATIONS... THIS KIND OF ANALYSIS IS FROM SO-CALLED LEADERS WHO PRESUME TO SPEAK FOR THE PEOPLE, BUT WHO ARE TRULY COWARDS AFRAID OF REVOLUTIONARY VIOLENCE BECAUSE IT IS A THREAT TO THEIR PERSONAL SECURITY... TACTICALLY, IT WAS MORE APPROPRIATE TO CAPTURE PATRICIA CAMPBELL HEARST THAN HER PARENTS... SHE IS A MEMBER OF THE CAPITALIST CORPORATE RULING CLASS AND SHE WAS TAKEN A PRISONER OF WAR... THE PEOPLE HAVE A LEGAL AND HUMAN RIGHT AND DUTY TO ATTACK THE ENEMY ACCORDING TO THE WAY THE ENEMY ATTACKS US. YOU ASK IF PATRICIA HEARST HAS LEARNED POLITICAL CONSCIOUSNESS WHILE SHE HAS BEEN WITH US AND THE ANSWER IS YES; SHE HAS GROWN A GREAT DEAL AND WE ARE HOPING THAT IT WILL NOT BE NECESSARY TO EXECUTE HER... WILL WE FIND IT NECESSARY TO MAKE MORE ARRESTS AND CARRY OUT MORE EXECUTION ORDERS FROM THE COURT OF THE PEOPLE?... WE ARE ENGAGED IN A WAR TO THE DEATH AND IT IS ONLY NOW BEGINNING; A SUCCESSFUL MILITARY FORCE LIKE THE SLA IS NECESSARY FOR ACTUALIZING POLITICAL GOALS AND MUST THEREFORE BE OUR FIRST CONCERN. OUR

YOU ASK WHAT WE WOULD DO TO RICHARD NIXON IF WE HAD HIM IN OUR CUSTODY FOR THE CRIMES HE HAS COMMITTED AGAINST THE PEOPLE, AND THE ANSWER IS WE WOULD EXECUTE HIM IMMEDIATELY. WE HAVE BEEN ABLE TO OBTAIN THROUGH SOURCES, SOIL SAMPLES FROM THE AUTOMOBILES OF SOME SUSPECTED SLA MEMBERS. OUR PRELIMINARY SAMPLES ARE FROM AUTOMOBILES OF SUSPECTED SLA MEMBERS [REDACTED] WHO IS BELIEVED TO BE THE BOYFRIEND OF SUSPECTED SLA MEMBER [REDACTED] THESE HAVE BEEN EXAMINED BY A PROFESSOR OF SOILS [REDACTED]

[REDACTED] AND HE STATES PRELIMINARILY THAT THE SAMPLES FROM BOTH CARS ARE VERY SIMILAR AND THAT SIMILAR SOILS FROM THE SPECIMENS OCCUR ON THE NORTH SIDE OF MOUNT DIABLO IN CONTRA COSTA COUNTY, CALIFORNIA. (MOUNT DIABLO IS APPROXIMATELY 35 MILES EAST OF SAN FRANCISCO AND 25 MILES FROM BERKELEY. IT IS NEAR THE TOWN OF CONCORD WHERE THE SLA PAD AT SUTHERLAND COURT WAS FORMERLY LOCATED.)

HE STATED THAT THE AREA WOULD ENCOMPASS THE NORTH SLOPE OF MOUNT DIABLO DOWN TOWARD THE TOWN OF CLAYTON. HE IS CONTINUING HIS EXAMINATION IN ORDER TO GIVE US MORE SPECIFIC BOUNDARIES FOR THIS SOIL. HE ELIMINATES THE FOLLOWING AREAS AS SOURCES FOR THE SOIL: MARIN COUNTY, THE PENINSULA AREA, SONORA, SONOMA AND MENDOCINO COUNTIES, ALL OF SOUTHERN CALIFORNIA, THE COASTAL REGIONS, DESERT REGIONS, HEAVILY WOODED

AREAS, THE TIMBERED LANDS OF THE SIERRA NEVADAS, OR ANY AREA WHICH CONTAINS DOUGLAS PINE OR REDWOOD.

ON EVENING OF MARCH 22, 1974, SAC WAS IN CONTACT WITH MR. AND MRS. HEARST AT THEIR HOME. WITH REGARD TO THE LATEST SLA DEMANDS THAT REMIRO AND LITTLE GO ON NATION-WIDE TV, RANDOLPH HEARST ADMITTED THAT THIS DOES NOT APPEAR PROBABLE IN VIEW OF RECENT LOCAL JUDGES DECISION. HE HAS BEEN IN TOUCH WITH DEFENSE ATTORNEYS OF REMIRO AND LITTLE AND THEY ARE PRESENTLY DISCUSSING THE FOLLOWING PLAN:

REMIRO AND LITTLE WOULD WRITE A LETTER TO HEARST WHICH WOULD INCLUDE WHAT THEY HAD ORIGINALLY INTENDED TO SAY ON TV. INCLUDED IN THIS WOULD BE THEIR STATEMENTS THAT PATTY HEARST SHOULD BE RELEASED. IF THIS IS DONE, HEARST INTENDS TO GO ON TV AND READ THE LETTER AND LATER HAVE IT PUBLISHED ON THE FRONT PAGE OF THE "SAN FRANCISCO EXAMINER."

MR. HEARST ADMITS THAT AFTER FINAL FOOD DISTRIBUTION HE MUST MAKE A STATEMENT REGARDING SLA DEMANDS AND WHAT, IF ANY FURTHER ACTION HE CAN TAKE. HE STILL IS NOT CERTAIN JUST WHAT THIS STATEMENT WILL CONTAIN, BUT CLOSE ADVISORS ARE ATTEMPTING TO GET HIM TO MAKE A POSITIVE STATEMENT AND DEMAND THE RELEASE OF PATTY.

WE LEARNED TODAY THAT HEARST IS ENCOUNTERING SOME DIFFICULTIES WITH MEMBERS OF THE HEARST FOUNDATION, INCLUDING SOME OF HIS IMMEDIATE RELATIVES, CONCERNING THE FOUR MILLION DOLLARS WHICH THE FOUNDATION HAS PROMISED TO MAKE AVAILABLE UPON THE RELEASE OF VICTIM (TWO MILLION TO BE MADE AVAILABLE IMMEDIATELY UPON HER RELEASE AND TWO MILLION DOLLARS TO BE MADE AVAILABLE IN JANUARY, 1975).

APPARENTLY SOME MEMBERS OF THE FOUNDATION HAVE INDICATED THAT IN THE EVENT VICTIM IS RELEASED AND IS SYMPATHETIC TOWARD HER ABDUCTORS AND THE IDEOLOGY OF THE SLA, THE FUNDS INDICATED ABOVE WILL NOT BE MADE AVAILABLE.

RANDOLPH HEARST IS OPPOSED TO THIS POSITION AND HAS STATED THAT REGARDLESS OF THE CIRCUMSTANCES THE FUNDS SHOULD BE MADE AVAILABLE. HE WANTS THE FOUNDATION TO IMMEDIATELY

IT SHOULD BE NOTED THAT THE TWO MILLION DOLLARS PREVIOUSLY MADE AVAILABLE TO THE PEOPLE IN NEED PROGRAM WILL BE EXHAUSTED UPON COMPLETION OF MONDAY'S, MARCH 25, 1974, PROJECTED FOOD DISTRIBUTION.

HEARST HAS THREATENED TO RESIGN AS AN OFFICIAL OF THE FOUNDATION IN THE EVENT THEY DO NOT AGREE TO MAKE THESE FUNDS AVAILABLE. HEARST HAS INDICATED A BOARD MEETING OF THE FOUNDATION WILL BE HELD IN NEW YORK MARCH 25, 1974, AND THAT HE PLANS ON ATTENDING THIS MEETING IN AN EFFORT TO PRESUADE THE BOARD MEMBERS TO MAKE THE FUNDS AVAILABLE WITHOUT ANY CONTINGENCIES.

IN OUR MARCH 19, 1974, SUMMARY UNDER THIS CAPTION.

TODAY, TWENTY SAS WERE UTILIZED IN A SEARCH OF THE GRIZZLY PEAK AREA, THE NORTHERN PART OF CONTRA COSTA COUNTY, INCLUDING THE RURAL AREA OF EL SOBRANTE AND EL CERRITO AS OF LATE P.M., MARCH 23, 1974, NO POSITIVE INFORMATION HAS BEEN REPORTED WITH OUR SEARCH.

IT SHOULD BE NOTED THAT MATERIAL RECOVERED FROM THE SUTHERLAND COURT, CONCORD, CALIFORNIA, RESIDENCE OCCUPIED BY NANCY LING PERRY SUBSEQUENT TO THE ARREST OF RAMIRO AND LITTLE ON JANUARY 10, 1974, CONTAINED INFORMATION REFERRRING TO THE RUSSIAN RIVER. IN SOME OF THIS MATERIAL THEY TALK ABOUT WEAPONS SUCH AS 40 CLIPS, NINE MILIMETER, 45 CALIBER, AND 30 CALIBER WEAPONS. THERE WAS ALSO RECOVERED MAPS OF THE RUSSIAN RIVER AND SOME OTHER NOTATIONS INDICATING "RIVER OPERATIONS."

IT SHOULD BE NOTED THAT THE RUSSIAN RIVER AREA IS LOCATED NORTH OF SAN FRANCISCO NEAR OUR SANTA ROSA RA. WE ARE IN THE PROCESS OF REVIEWING MAPS OF THIS AREA CONSULTING WITH LAW ENFORCEMENT HAVING JURISDICTION IN THIS AREA IN AN EFFORT TO DETERMINE THE FEASABILITY OF CONDUCTING INVESTIGATION IN THIS AREA TO DETERMINE IF HEARNAP SUBJECTS ARE HOLED UP IN THIS AREA.

Our investigation to date has been limited to activities which would not jeopardize the victim's safety. We have, however, been extremely aggressive as evidenced by the use of [REDACTED]

[REDACTED] and the many other investigative techniques which we have employed. Through our investigation we have identified Donald David DeFreeze, Patricia Michelle "Mizmoon" Soltysik, William and Emily Harris and Nancy Ling Perry as prime suspects in the kidnaping. We have not yet gathered the necessary evidence for warrants to be obtained for these individuals.

It is recognized that our public stance must always be that the safety of the victim is our primary concern. The fact that the victim's father has consistently refused to take a hard stand against the Symbionese Liberation Army (SLA) and has "grabbed at straws" in leaving himself open for negotiations with various individuals and groups has not lent support to our attempting a more open aggressive position. It appears that the pressure being exerted on Hearst by the Foundation and the advice he is receiving from his [REDACTED]

[REDACTED] to the effect that Hearst should make a statement that this matter is out of his control and that the FBI must take whatever action they deem necessary without further consideration of the Hearst family could alter Hearst's current position. It is noted that [REDACTED]

Bates to Gebhardt memorandum
Re: Hearnap

Once Hearst takes a firm stand and refuses to negotiate further, it will enable us to take the initiative in the following areas:

San Francisco can subpoena individuals previously contacted who were uncooperative before the Grand Jury. It is anticipated that immunity would be offered some of these individuals and their failure to furnish information to the Grand Jury would result in their confinement for contempt. Likewise it would appear profitable to obtain search warrants for three residences which are presently being afforded 24-hour surveillance coverage. Located at these residences are individuals who we believe could be possibly involved presently as couriers or in other supporting capacities for the SLA. All individuals at those residences would be thoroughly interviewed and if uncooperative would be subpoenaed for Grand Jury appearance.

It is well recognized that the above action would be subject to intensive publicity and is a calculated risk. It is conceivable that searches of these residences could possibly result in no tangible information being obtained as to the location of the victim. However, as her location is our primary objective we must capitalize on any unexplored avenue as it becomes available.

These initiatives are by no means all inclusive and it is recognized that the final recommendation to institute them is by necessity that of SAC Bates, who is in charge on the scene and knows the situation best.

We have identified some known and suspected members of the SLA, and attempted to obtain the Attorney General's (AG) approval to apply to the United States District Court (USDC) in San Francisco for a Title III electronic surveillance on some of these people, in order to attempt to obtain information to break the Hearst kidnaping. The Department of Justice (DJ) replies that we have insufficient information to show probable cause, as required by Title III, that the individuals we seek to surveil are involved in the kidnaping.

The purpose of this memorandum is to explore the possibilities of obtaining an electronic surveillance in this case, without probable cause as traditionally understood, and therefore not under Title III, but as an intelligence surveillance, supported by the language of the Keith decision, by petitioning for approval of the surveillance by a USDC.

Shortly after the Keith decision, the FBI and the Internal Security Division (ISD) of the DJ explored the possibility of obtaining judicial warrants to conduct domestic intelligence electronic surveillances.

In a memorandum from the Assistant Attorney General, (AAG) ISD, dated July 25, 1972, he noted "...this Division indicated that there would be no basis for securing a warrant for the conduct of electronic surveillance in the types of cases covered by the Keith decision, absent new legislation authorizing the issuance of such warrants. After reviewing the relevant considerations, this Division is of the opinion that, at this

time, there is no need to seek such legislation from the Congress." And later "...if future events should indicate that the effect of the Keith decision is to deprive the Department of valuable intelligence information, our present position will be subject to re-evaluation."

The AAG, ISD was obviously talking about his position not to seek enabling legislation at that time.

However, we had also discussed among ourselves and with the ISD, the possibility of attempting to obtain a warrant for domestic intelligence electronic surveillance without new legislation, not under Title III, because of its probable cause and notice requirements, but under some already existing civil or criminal procedure.

In summary, those discussions led us to the conclusion that when we had a proper case, we should attempt to obtain a warrant to conduct a domestic intelligence electronic surveillance under F.R. Cr.P. 41, pertaining to search warrants. The opinion of DJ is F.R. Cr.P. 41 provides only for search and seizure of material things and would not be available for application for an electronic surveillance warrant. Assuming that the objectives of our intended seizure, intercepted conversations, would not fall within the definition of the items or grounds defined in F.R. Cr.P. 41(b) or 18 U.S.C. 3103(a), a judge would have to be convinced that he has inherent power to issue a warrant for such items (telephone or microphone interceptions) and on such grounds that he may determine, in the interest of national security.

The inherent difficulty in attempting to obtain a warrant under F.R. Cr.P. 41 is that, in addition to the fact that its definition of items which can be seized does not encompass intercepted conversations, it also requires a showing of probable cause as traditionally understood, and it requires notice to the party whose property is being seized at the time of the seizure. For a judge to issue an electronic surveillance warrant under F.R. Cr.P. 41, he would have to disregard practically

Memorandum to Mr. E. S. Miller
RE: ELECTRONIC SURVEILLANCE FOR INTELLIGENCE
PURPOSES ON THE SYMBIONESE LIBERATION ARMY
(SLA) IN THE PATRICIA HEARST CASE

all of the provisions and guidelines contained in the Rule. While Mr. Dalbey, who advocated the F.R. Cr.P. 41 route, cited U.S. v. Focarile as precedent (use of F.R. Cr.P. 41 by the Bureau of Narcotics to obtain a warrant to place a pen register), it would appear the decision supports a broad interpretation of the items allowed to be seized under F.R. Cr.P. 41, and modifies its disclosure timing, but does not obviate the difficulties of probable cause.

An avenue which might be open to us is simply to approach a USDC with the Keith decision in one hand and an affidavit supporting our reason to believe that the surveillance requested may produce intelligence information which could break the Hearst kidnaping case, and give us an opportunity to thwart future SLA activity detrimental to the national security.

Our argument to the USDC would be that he has authority, under the Keith opinion, to approve our petition for an intelligence electronic surveillance. We would not attempt to cite any particular procedure by which we were making the application, arguing that all Keith opinion requires is interposition of a judicial officer between the President's agents and the person to be surveilled, and that the Supreme Court did not attempt to define the means by which such an application is to be made.

In concluding its Keith opinion, which held that domestic intelligence electronic surveillances were subject to the Fourth Amendment requirement of prior judicial review, the court said:

"Moreover, we do not hold that the same type of standard and procedures prescribed by Title III are necessarily applicable to this case. We recognize that domestic security surveillance may involve different policy and practical considerations from the surveillance of "ordinary crime." The gathering of security intelligence is often long range and involves the interrelation of various sources and types of information. The exact targets of such surveillance may be more difficult to identify than in

Memorandum to Mr. E. S. Miller
RE: ELECTRONIC SURVEILLANCE FOR INTELLIGENCE
PURPOSES ON THE SYMBIONESE LIBERATION ARMY
(SLA) IN THE PATRICIA HEARST CASE

surveillance operations against many types of crime specified in Title III. Often, too, the emphasis of domestic intelligence gathering is on the prevention of unlawful activity or the enhancement of the Government's preparedness for some possible future crisis or emergency. Thus, the focus of domestic surveillance may be less precise than that directed against more conventional types of crime.

Given these potential distinctions between Title III criminal surveillances and those involving the domestic security, Congress may wish to consider protective standards for the latter which differ from those already prescribed for specified crimes in Title III. Different standards may be compatible with the Fourth Amendment if they are reasonable both in relation to the legitimate need of Government for intelligence information and the protected rights of our citizens. For the warrant application may vary according to the governmental interest to be enforced and the nature of citizen rights deserving protection. As the Court said in Camara v. Municipal Court, 387 U.S. 523, 534-535 (1967):

"In cases in which the Fourth Amendment requires that a warrant to search be obtained 'probable cause' is the standard by which a particular decision to search

Memorandum to Mr. E. S. Miller
RE: ELECTRONIC SURVEILLANCE FOR INTELLIGENCE
PURPOSES ON THE SYMBIONESE LIBERATION ARMY
(SLA) IN THE PATRICIA HEARST CASE

is tested against the constitutional mandate of reasonableness...In determining whether a particular inspection is reasonable - and thus in determining whether there is probable cause to issue a warrant for that inspection - the need for the inspection must be weighed in terms of these reasonable goals of law enforcement."

It may be that Congress, for example, would judge that the application and affidavit showing probable cause need not follow the exact requirements of § 2518 but should allege other circumstances more appropriate to domestic security cases; that the request for prior court authorization could, in sensitive cases, be made to any member of a specially designated court (e.g., The District Court or Court of Appeals for the District of Columbia); and that the time and reporting requirements need not be so strict as those in § 2518.

The above paragraph does not, of course, attempt to guide the congressional judgment but rather to delineate the present scope of our own opinion. We do not attempt to detail the precise standards for domestic security warrants any more than our decision in Katz sought to set the refined requirements for the specified criminal surveillances, which now constitute Title III. We do hold, however, that prior judicial approval is required for the type of domestic security surveillance involved in this case and that such approval may be made in accordance with such reasonable standards as the Congress may prescribe.

Memorandum to Mr. E. S. Miller
RE: ELECTRONIC SURVEILLANCE FOR INTELLIGENCE
PURPOSES ON THE SYMBIONESE LIBERATION ARMY
(S.L.A) IN THE PATRICIA HEARST CASE

The difficulty in the above proposed approach to obtain warrant under no recognizable rule or procedure focuses on the word "and" in the last quoted sentence from the Keith opinion. The issue is whether the opinion requires congressional standards be articulated as a prerequisite to judicial approval of a domestic intelligence warrant, or whether the "and" merely means that Congress may set standards i.e., the decision is just making clear that it does not preclude Congress from setting such standards.

Our approach to the USDC would be that since Congress has not yet acted and there is legitimate immediate need for intelligence electronic surveillance in this case, there is a void in the law, which can only be filled by judicial action.

Our application must also petition that no notice of the surveillance be given to those being surveilled, since this would render valueless the surveillance. Our petition could provide that we would come before the court, in camera, weekly, bi-weekly or whatever, and describe the value of the surveillance, petition for its continuance, and justify the necessity for not disclosing its existence to the persons surveilled. After the surveillance has served its purpose, notice can be given those persons.

Also, consideration must be given to which USDC we will make our application. Ordinarily the USDC with jurisdiction over the location of the telephone or place to be surveilled would be the appropriate court. However, the Supreme Court, in Keith, recognized that the disclosure required by the Government in domestic national security cases to support its affidavit might be so sensitive that only one court should have warrant authority for the whole country, e.g., the USDC or Circuit Court of Appeals in D. C.

Memorandum to Mr. E. S. Miller
RE: ELECTRONIC SURVEILLANCE FOR INTELLIGENCE
PURPOSES ON THE SYMBIONESE LIBERATION ARMY
(SLA) IN THE PATRICIA HEARST CASE

Our action in this test case may be referred to as precedent or as guidance in subsequent consideration by courts or Congress. If we seek to limit application disclosure to one jurisdiction we should apply to the USDC, D. C., since it was suggested by the Supreme Court in Keith. Limiting this procedure to one USDC would be beneficial in that a uniform policy could be developed, which would give us fairly good guidelines in considering whether or not to make an application in a particular case in the future.

(Additionally, I think we might well expect a warrant requirement even for our foreign counterintelligence electronic surveillances in the future. Any precedent which could serve to limit the required disclosure in those cases to only one court should definitely be established).

If the court feels it must pass on our application for surveillance, as indeed it must under Keith, but feels that it lacks standards and procedures under which to determine the validity of our application, and therefore refuses to approve or deny our application, we should petition the Circuit Court of Appeals for a writ or mandamus ordering the District Court to act. If the Court of Appeals refuses to do this, we should petition the Supreme Court for a writ. Since approval or denial of a warrant is a matter within the discretion of the USDC based on the facts presented to him we will not be appealing his decision; but rather, in the absence of his decision, we will be requesting an order from a superior court directing him to act, one way or the other i.e., approve or deny the application.

In this manner we will get our surveillance or bring to a head the void in the law created by Keith, and perhaps spur Congress to action in providing a warrant or judicial review mechanism for domestic intelligence electronic surveillances.

Memorandum to Mr. E. S. Miller
RE: ELECTRONIC SURVEILLANCE FOR INTELLIGENCE
PURPOSES ON THE SYMBIONESE LIBERATION ARMY
(SLA) IN THE PATRICIA HEARST CASE

I feel that the SLA Hearst kidnaping case is the best case we have had since the Keith decision to employ this tactic. It appears that little initiative will be taken by the DJ to formulate legislation providing for such a mechanism, without the impetus of a celebrated case. I feel that by following the strategy described above, absent judicial action, we can impress Congress with the need for legislation providing procedures for domestic intelligence electronic surveillance, and indicate to DJ, in its own words, "that the effect of the Keith decision is to deprive the Department of valuable intelligence information," and that its present position (not to seek enabling legislation) should be re-evaluated.

RECOMMENDATION:

Divisions Five and Six prepare affidavit to support an application for domestic intelligence electronic surveillances on specified known and suspected SLA members, and request approval of the AG to present the application and affidavit to the USDC, D. C.

IT SHOULD BE NOTED THAT OUR SUMMARY OF MARCH 23, 1974 CONTAINED INFORMATION INDICATING THAT HEARST IS ENCOUNTERING SOME DIFFICULTIES WITH SOME MEMBERS OF THE HEARST FOUNDATION, INCLUDING SOME OF HIS IMMEDIATE RELATIVES CONCERNING THE FOUR MILLION DOLLARS WHICH THE FOUNDATION HAS PROMISED TO MAKE AVAILABLE UPON RELEASE OF VICTIM (TWO MILLION WILL BE MADE AVAILABLE UPON HER RELEASE AND TWO MILLION DOLLARS MORE TO BE MADE AVAILABLE DURING JANUARY, 1975. [REDACTED] ADVISED SAC THIS DATE THAT MR. AND MRS. HEARST WILL MEET HEARST CORPORATION BOARD OF DIRECTORS ON MARCH 26 IN NEW YORK. HEARST WANTS MORE LATITUDE IN THE FOUR MILLION DOLLARS THE HEARST CORPORATION HAS AGREED TO GIVE. THIS INVOLVES TWO MILLION DOLLARS ON THE RELEASE OF PATTY AND TWO MILLION DOLLARS IN JANUARY, 1975 FOR FURTHERANCE OF THE FOOD PROGRAM. [REDACTED] IN CONVERSATION WITH MEMBERS OF THE BOARD OF DIRECTORS FEELS DEFINITELY THAT THE BOARD WILL NOT MAKE ANY FURTHER COMMITMENTS OF FUNDS UNTIL THE SAFE RELEASE OF VICTIM. THEY ARE NOT INCLINED TO COMMIT THE ENTIRE AMOUNT AT THIS POINT. THE BOARD IS ALSO TAKING A HARD LINE WHICH IT IS BELIEVED WILL HAVE CONSIDERABLE INFLUENCE ON RANDOLPH HEARST IN ANY FURTHER STATEMENTS HE MAY MAKE.

[REDACTED] ALSO COMMENTED THAT DURING THE FOOD DISTRIBUTION TODAY, CERTAIN ITEMS WHICH HE CONSIDERED QUALITY WERE NOT DISTRIBUTED AND THE MAIN ITEMS OF MEAT INCLUDED FILET AND T-BONE STEAKS. HE COMMENTED THAT THE ENTIRE FOOD GIVE-AWAY PROGRAM WAS A "RIP OFF" AS FAR HAS HE WAS CONCERNED.

In response to the Director's inquiry concerning the feasibility of using rationalistic-model techniques to assist in selecting courses of action for locating kidnap victim Patricia Hearst, my memorandum of 3/6/74 advised that the limited data then available precluded effective use of these methods.

As a result of Mr. Cleveland's endeavors, on 3/19 the Laboratory representative handling this matter was placed in contact with [redacted] International Business Machines Corporation, who is considered their leading authority on the application and use of gaming and operations research. [redacted] was furnished the known factual data gathered to date, including information gained from the latest tape recording. It is his opinion that we still have insufficient input data to make any effective use of these methods. The Laboratory concurs in this opinion. [redacted] generously offered his continued cooperation and assistance.

We will continue to follow this matter closely. If we reach a point where we have sufficient geographical data to attempt gaming the Laboratory will contact the U.S. Army Engineer Waterways Experiment Station at Vicksburg, Mississippi, which can supply computerized terrain models.

3. FBI Identification Record for [REDACTED]
FBI number [REDACTED]

4. FD-302 reflecting results of interview with [REDACTED] at Memphis 3/20-22/74, containing 24 page signed statement of [REDACTED] completed night of 3/22/74, containing copies of seven drawings of houses and areas in San Francisco and Portland. In this FD-302 [REDACTED] admits that during the interview he had furnished conflicting information and false information, knowing that it was a prosecutable offense to do so but still alleging that he has personal knowledge of a group of extremist individuals whom he alleges are involved in the kidnaping and holding of PATRICIA HEARST at a location in Portland, Oregon.

Also enclosed for Atlanta is a one page handwritten letter directed to [REDACTED] dated 3/20/74, signed by [REDACTED] which letter requests [REDACTED] to deliver to the bearer his personal effects, [REDACTED] according to [REDACTED] is [REDACTED] from which institution [REDACTED] was recently brought to Memphis for arraignment.)

[REDACTED]

Every effort was made to carefully question the information furnished by [REDACTED] and he admitted in numerous instances having embellished what he described as known facts and in numerous instances he changed his version of a particular story. At the outset, for example, he denied having any personal knowledge whatever concerning PATRICIA HEARST but stated he could furnish information which would lead to the location of a Bureau fugitive, DONALD DAVID DE FREEZE and he

could furnish information regarding the theft of military weapons and ammunition in Ohio. A later version was generally to the effect that the group he described was believed by him to be responsible for the HEARST kidnaping based on the fact that he had seen photographs of PATRICIA HEARST at the "headquarters" in San Francisco, but in this version he still maintained he had never seen or had any type of dealings personally with PATRICIA HEARST.

A later version encompassed his actually meeting and talking with PATRICIA HEARST in San Francisco as outlined in the statement. A still later version shifted the focal point to Portland, Oregon, where he claims he believes PATRICIA HEARST is now being held. After he furnished the latest version, he stated he saw the photograph of HEARST in Portland not in San Francisco as first alleged. There were numerous significant discrepancies of individual situations which he described.

No effort is being made to set forth all these discrepancies inasmuch as he has taken the position that the information in the signed statement is his final version and allegedly is the truth.

Agents made every effort to give him no benefit whatever of information already known to the Agents and after he signed the statement, Agents reminded him of a statement which he had furnished to Agents in Atlanta on 1/29/74, in which he accounted for his activities 1/10-29/74, and which is in great variance with his present statement. [REDACTED] merely shrugged his shoulders and stated that anything in the Atlanta statement that was contrary to the Memphis statement was false. He stated that immediately following his arrest he did not want to furnish any information which might have revealed his "real activities" during the period in question.

In spite of all of the information known about [REDACTED] it is realized that he still might possess information which might be of value. It is recalled that in a Memphis BR case where the Memphis Office had been unable to develop sufficient information to indict a known bank robber, [REDACTED] furnished information which he acquired while confined with one of the bank robbers and as a result of talking with that bank robber he was able to repeat in great detail information

[REDACTED]

furnished to him by that bank robber and was considered a prime witness in the trial of that bank robber and others. In fact, he was being held as a Federal prisoner in local custody at Marion, Ark., in connection with that bank robbery trial at the time he escaped on 1/10/74.

UACB, no offices, except Atlanta, will conduct any active investigation based on the enclosed FD-302 of [REDACTED] until so advised by the Bureau or San Francisco.

2. Will also determine from prison officials the identity of all persons who may have been cell mates with [REDACTED] since his confinement in the USP following his 1/29/74 arrest in Atlanta. Note that [REDACTED] has claimed that he left his personal effects, including letters from his girlfriend [REDACTED]

at the penitentiary when he was recently brought to Memphis for arraignment on the escape charge.

3. Will thereafter, through prison officials, make an effort to determine if [REDACTED] personal effects including any letters can be located in [REDACTED] former cell or elsewhere in the penitentiary. If these personal effects are not located will contact [REDACTED] [REDACTED] sing, if needed, the enclosed letter dated 3/20/74, directed to [REDACTED] and signed by [REDACTED], which letter requests [REDACTED] to deliver to the bearer his personal effects. [redacted] a federal prisoner, being held at the [redacted] located at the [redacted] was contacted by SA [redacted] at the U.S. Attorney's Office in Memphis, Tennessee.

At this time [redacted] advised that he had certain information which he felt was of value to the FBI, stating that his motive in furnishing the information was a desire to receive favorable consideration from the U. S. Attorney's Office as to a favorable recommendation with regard to his sentencing on a federal escape charge and also a favorable recommendation from the appropriate authorities as to his place of confinement after he is sentenced. He stated he desired to be confined in the Federal Correctional Institution at Sandusky, Minnesota. [redacted] was advised by SA [redacted] that no commitment of any kind would be made to carry out Agents but that any information of value which he might furnish would be called to the attention of the appropriate prosecutive officials.

[redacted] thereafter furnished information, a part of which was reduced to writing in a 24 page signed statement, a copy of which appears on the pages which follow.

Immediately following the above signed statement will be set forth copies of seven drawings prepared with the assistance of [redacted] three of which drawings relate to what he referred to as the San Francisco "Headquarters" of the group he described, three of which relate to the area of what he described as Henry Bee's house at [redacted] 6th Avenue in Portland, Oregon, and one of which relates to a body shop in Portland, Oregon where a panel truck was parked. These drawings are self-explanatory.

Memphis, Tennessee
March 22, 1974

I, [REDACTED] wish to make the following free and voluntary statement to Special Agents [REDACTED] and [REDACTED] who have identified themselves to me as Special Agents of the FBI.

Through my attorney, [REDACTED] I have requested to talk with Agents of the FBI concerning matters which I believe to be under investigation by that agency.

At the present time I am a Federal prisoner and temporarily I am being held at the [REDACTED] [REDACTED] after being transported from the [REDACTED] [REDACTED] on arraignment in U. S. District Court in Memphis after I was indicted by a Federal Grand Jury at Memphis as an escaped Federal prisoner.

At my request, Agents of the FBI met with me in the U. S. Marshal's Office on the afternoon of March 20, 1974, at which time my attorney, [REDACTED] and his associate, [REDACTED], were present. At the outset of this meeting, Agent [REDACTED] furnished to me a form captioned "Voluntary Appearance; Advice of Rights," which

form was revised to reflect that I was being held in the U. S. Marshal's Office at my request, and which form sets forth certain rights to which I am entitled and sets forth a waiver of those rights. I read and executed this form in the presence of the Agents and the two attorneys named.

Let me say at the outset that I know that I have the reputation of being a notorious confidence man, and I acknowledge that I am a confidence man and would point out as examples of my success in this regard the fact that I have been able to walk away from confinement on two separate occasions. My most recent venture in this regard was on [REDACTED] when I talked my way out of custody of local authorities at [REDACTED] where I was being held as a Federal prisoner.

[REDACTED]

[REDACTED]

On March 20 and 21, 1974, in the U. S. Marshal's Office, and later at the [REDACTED] which is located at the [REDACTED] I furnished voluminous and detailed information concerning a group of individuals, both male and female, black and white, members of which group have referred to themselves as the "Revolutionary Army" and as "the movement," some members of which have advocated violence in my presence, having made statements referring to "the Fascist Gestapo regime" in the

AK/117

United States and having made statements to the effect that they intend to overthrow that "regime." In addition, I have information which makes me believe that some members of this group are responsible for the kidnaping of Patricia Hearst at Berkeley, California, on February 24, 1974, and that members of this group are presently holding Patricia Hearst at a location in Portland, Oregon.

I have furnished a number of different stories, some of which I know involve contradictions and conflicting statements. Some of the information which I have furnished has been false, and I have so informed the Agents. Let me state herethat my reasons for having furnished false information include the fact that I did not want to unnecessarily incriminate close friends ~~of~~ myself. In some instances I furnished false information merely as "window-dressing." In other instances I can only say that I furnished false information "out of force of habit."

I am fully aware, from my discussions with FBI Agents and from discussions with my own attorney, that it is a violation of Federal law to furnish false information to an FBI Agent concerning a material fact. I have requested that I be given the opportunity to furnish in writing what is the truth and only the truth, and set forth hereafter is the truth and only the truth.

I would like to state at the outset how I became acquainted with a group of extremist individuals who will be discussed hereafter. I have traveled widely throughout the

pk'm

United States and have many friends and associates of both races in various cities in the United States. Among these are two black men, [REDACTED] whose home address is [REDACTED]

[REDACTED] but also well known by the nickname of "Honey Bee," and whose home address is [REDACTED] Sixth Avenue, Portland, Oregon. I have known both of these individuals over 10 years and consider them both close personal friends. I have done both of them favors and each of them considers me as a close personal friend. I have had dealings with both over a period of years, the details of which I do not believe pertinent to this interview.

Shortly following my escape from custody on January 10, 1974, I set about to contact [REDACTED]. Let me outline briefly my activities after January 10, 1974.

After "walking away" from the [REDACTED] jail, I traveled to Silver Springs, Maryland, and met with my girlfriend, [REDACTED] commonly called Kathy, at Apartment # 1817 [REDACTED] where she was [REDACTED] with [REDACTED] Kathy and I left Silver Springs, Maryland, in a 1973 white Chrysler New Yorker, Maryland license PG5431, which is registered to [REDACTED] but which

is in fact my automobile. We traveled to Philadelphia, Pennsylvania, and spent the night at the Downtown Holiday Inn.

On January 11, 1974, Kathy and I traveled in this Chrysler to [REDACTED] Columbus, Ohio, to see my friend, [REDACTED] whom I shall refer to hereafter as Charlie. Upon arriving at this address, we found present Charlie, his wife Wilma, and a black male unknown to me previously and introduced to me as "Cinque" and whose full name was later given to me at the time as Donald DeFreeze.

Kathy, Charlie, Cinque and I left this address and traveled in the above-mentioned Chrysler to a downtown Holiday Inn in Cleveland, Ohio, where Kathy registered as [REDACTED]. We left the downtown Holiday Inn and drove to a house at an unknown address in Cleveland which is the home of [REDACTED] a white male, his wife [REDACTED] a white female, and their child. While at this address, Charlie stated that, "We have big things going for us in California and we are going to San Francisco" the following day. He wanted to know if I wanted to become a member of this group. I told him, "No."

During this general conversation, Cinque on several different occasions would strike the coffee table with his

-6-

list and state, "The cobra will strike."

Also during this conversation Charlie furnished me two San Francisco, California, phone numbers, which he stated I could call any time I wanted to get in touch with Charlie. These numbers I do not now recall, but I recorded them in a green address book which was taken from me following my arrest in Atlanta, Georgia, on January 20, 1974. The numbers are recorded in code on the inside cover of this address book.

In addition, Charlie stated that while in California, he would be with another good friend of mine, "Honey Lee," mentioned above, for the next few weeks or months.

While at this address, I noticed stacks of pamphlets and other literature, on the cover of which was the emblem of a seven-headed cobra. I believed this to be radical literature but did not examine it.

Kathy, Charlie, Cinque and I returned to the hotel and upon arriving at the hotel, Cinque and Charlie separated from Kathy and me.

On January 12, 1974, Kathy and I drove the above Chrysler to Toronto, Canada, where we stayed at the Carla Motor Inn, and while there, wired Kathy's mother, who resides at Las Vegas, Nevada, asking for money, and Kathy's mother wired us \$500.

On January 13, 1974, I called Charlie in San Francisco at one of the two numbers he had given me, and Charlie asked if Kathy and I wanted to come to San Francisco. I said, "Yes." Charlie said, "Before you come, will you do us a big favor?" I replied, "Yes," whereupon Charlie gave me the name and address of [REDACTED]

[REDACTED] Dayton, Ohio. Charlie stated that [REDACTED] was "our supplier of arms and ammunition and our demolition expert." Charlie asked me to furnish the [REDACTED] any assistance they might need in transporting guns and ammunition from Dayton, Ohio, to Portland, Oregon.

Kathy and I left Toronto in my Chrysler on January 13, 1974, and traveled to Dayton, Ohio, and to the address of [REDACTED]. At approximately 5:15 p.m., [REDACTED] arrived at this address in a green Pinto. Kathy and I introduced ourselves, and I told [REDACTED] I had a message from Charlie in San Francisco and that Charlie had asked me to come to [REDACTED] and give him any assistance he might need in moving arms to Portland, Oregon. Carl advised me that that had been taken care of.

At this point Kathy and I left [REDACTED] and, traveling in my Chrysler, we drove to Cleveland, Ohio, parked the Chrysler in the airport parking lot, and flew to San Francisco, California, arriving at San Francisco at

approximately 2:40 a.m. on January 14, 1974, where we checked into the Hilton Inn at the airport.

Early on the morning of January 14, 1974, I called one of the above-mentioned San Francisco telephone numbers in an effort to reach Charlie. However, I talked to an unknown person who later identified himself as Dennis, and Dennis told me that he would come over and pick up Kathy and me.

Approximately an hour and a half later, a Negro male, who introduced himself to me as Dennis, and a white female, who introduced herself to me as Nancy, arrived at the Hilton Inn in a 1968 black Ford Falcon four-door, which had an unusual over-sized, wrap-around rearview mirror. Kathy and I joined Dennis and Nancy in this car, and with Dennis driving, we traveled to a house on Fourth Avenue, which I believe to be in either the 700 or 800 block and which I will later describe in detail, and which house I will refer to hereafter as "San Francisco Headquarters" of the group in question.

In this house were Charlie, Cinque, "Honey Bee," and a white female whose first name was Dianne, whom I had not met before. This group sat around and drank, and Charlie discussed their "movement." He talked about the "Gestapo regime that is going to feel the bite of death." The group

talked generally regarding "the movement."

Not too long after our arrival at the address on Fourth Avenue, a white female, a white male, and a black female entered this address. I later determined the white female to be Patricia Hearst. Patricia Hearst made the statement, looking at me, "Who's the new stud in town?" Nancy introduced us but without naming Patricia Hearst. Patricia Hearst and I talked generally, primarily about Canada, and a group of us were standing together when I heard someone say, "Look here." I turned and recognized Jean Brewer holding a camera, and as I turned toward her, she took a picture. I believe this picture will show Patricia Hearst and me standing together. I have seen Jean Brewer since that time and she told me the film had not been developed as of the time I saw her.

Let me say here that the entire group was drinking beer and smoking pot on this occasion, and I specifically recall that Patricia Hearst got out a silver cigarette case and gave me one of her cigarettes, which she referred to as her own special brand.

Let me say here that the white male with Patricia Hearst on this occasion was definitely not ^{known} WARD ^{known} Root, her boyfriend, whose picture I have seen in the press. The white

male with her was about 30 years of age, 5 feet 11 inches to 6 feet tall, 170 pounds, brown hair which was cut "square," whose name I do not know and whom I have never seen before or since. Let me also state that I do not know the identity of the black female with Patricia Hearst. The latter was about 23 years of age, 5 feet 5 inches, 120 pounds, and had an Afro hairstyle.

During this period, Charlie took me to the basement of this house and showed me a room which Charlie described as being a "prison." I have helped prepare a drawing of both this house and this special room which Charlie called a "prison." In this room referred to as a "prison" I observed at least two tape recorders. I also saw what I thought to be cassette-type tapes and what I will refer to as belts of the type used on Dictaphones. I also saw about four instruments of some kind which I can only describe as resembling some type of meter. These instruments were flat and the dimensions were 10 to 12 inches by 5 to 7 inches by 8 to 10 inches. There was a meter of some type near one end and at the other end there were two leads of different colors. I do not know what these instruments were.

During this period that Kathy and I were in this house, there were numerous other people coming and going.

okm

Kathy and I were driven back to the motel in the above 1968 Black Ford Falcon.

On January 18, 1974, Kathy, Charlie, Nancy and I left San Francisco in station wagon, followed by a white 1972 Mark IV Lincoln Continental containing Cinque, Dianne, Gato (a Negro male), and Phelma (a Negro female). We traveled to Portland, Oregon, to an address which I believe to be 1035 Sixth Avenue. I will separately furnish detailed information concerning this address, but let me state here I am not absolutely positive that the name of the street is Sixth Avenue. I immediately recognized this particular address as the home of "Honey Bee" inasmuch as in about 1971 I had lived with "Honey Bee" at this address for a period of about three and one-half months. I shall refer to this location hereafter as Honey Bee's house.

This house is known as the Portland Headquarters of this group, and there is curtailed movement insofar as who can come and go at this house. There are no children at this house, and the following persons have freedom of movement into and out of this house: Honey Bee, Charlie, Cinque, Nancy, Dennis, Gato, Kathy, myself, and two people I have previously mentioned, namely Larry Swearingin (phonetic) and his wife Linda Swearingin, who actually live in a house directly behind Honey Bee's house. I have assisted in preparing detailed

-12-

drawings of Honey Lee's house and other houses in the immediate vicinity, as well as a detailed drawing of a "prison" on the second floor of Honey Lee's house.

In another room on the second floor, shown on the drawing, which I will refer to as the "ammunition room," I observed large quantities of weapons and ammunition, including at least six M-16 automatic weapons, two or more cases of hand grenades, at least eight greenish metal canisters of ammunition for the M-16's, and at least six different hand guns, including two .44 caliber weapons on .38 frames. I saw at least three or four rifles. In the ammunition room there is a rack in which the M-16's are stacked.

The drawing which I have assisted in preparing will show the layout of the various rooms on the second floor and on the first floor, but I would like to point out in particular the following facts:

The door knob on the front door of this house has been wired so that when electrical current is turned on, anyone touching this door knob will receive a severe electrical shock. This door knob is activated from a box located on the wall of the hall next to the den, as indicated on the drawing. In addition, in the living room, as shown on the drawing, there is a section set off by waist-high paneling, which is known as

-13-

the "bar and fast-service lunch area." In this area there is a trap door in the floor, which door lifts up. This trap door leads to a tunnel, which is high enough for a person to walk through, the floor of which is concreted, and the tunnel leads underground underneath an alley. The tunnel exits at a point in the basement of the house directly behind Honey Bee's house.

I would like to point out, as noted on the drawing, there are various other security devices, including armament, on various doors and windows of Honey Bee's house.

As depicted on the drawing I helped prepare concerning the address 1035 Sixth Avenue and the houses in the immediate vicinity, I would like to point out that the house at [REDACTED] Sixth Avenue is the residence of [REDACTED], a white female who is connected with this group. The house on the other side of 1035 Sixth Avenue, with an address of [REDACTED] Sixth Avenue, is the residence of Mr. and Mrs. [REDACTED]. [REDACTED] a Negro male, is also a friend of the people occupying [REDACTED] Avenue.

In addition, directly across Sixth Avenue from [REDACTED] Sixth Avenue is a house in which a member of this group from [REDACTED] Sixth Avenue has been stationed, with a walkie-talkie, to act as a lookout from 6:00 a.m. to 6:00 p.m. each day to warn the occupants of [REDACTED] Sixth Avenue of any potential trouble to them.

-14-

Directly behind [redacted] Sixth Avenue, as depicted in the drawing of this area, is a house occupied by [redacted] and his wife [redacted] both of whom are also members of this group. It is from the basement of the Swearingin house that the tunnel, as shown on the drawing, leads underground to 1035 Sixth Avenue.

While in Honey Bee's house, I observed Dennis looking at a group of pictures and at least two newspaper clippings which including pictures, all of which were lying on the coffee table. The caption on the newspaper clippings identified a young white female in the picture as Patricia Hearst and an older white female as her mother. Each of the pictures which I saw depicted Patricia Hearst. At this point Nancy saw Dennis looking at these pictures and said to him, "What are you doing?" Dennis replied, "I'm looking at pictures of the pigeon." Nancy became extremely angry and told him to put the pictures up, which he did.

Thereafter I overheard Kathy and Charlie in a conversation, in which Kathy agreed to drive a "transport vehicle" to San Francisco from Portland. The conversation was to the effect that this vehicle was to be used to "bring the prisoner back."

-15-

I took Kathy aside and had an argument with her, telling her that she was "putting her head in a noose." Kathy told me, "What up. I know what I'm doing. I'm tired of this Fascist government and we'll teach them a lesson."

On January 16, 1974, while at [REDACTED] Sixth Avenue, I saw a 1966 or 1970 dark blue Ford drive up and park in front of this address. In this car were two individuals, one a white male named Gary and a white female named Mary Ann. One of them stated that "we have just come up from headquarters; is Charlie there?" I told them that Charlie was in the house but was busy and invited them to come into the house. They declined. Kathy came and sat in the back seat of this car. I went and got Charlie who came to the car. Either Gary or Mary Ann asked Charlie, "how many more of these dry runs do we have to make?" Charlie advised the people in this car that "it will be only a few more weeks"; that the transport vehicle was at Ann's; and stated "we need to be sure the transport van is in good shape."

Shortly thereafter Charlie and I drove in a 1967 white T-bird convertible which had been parked in front of [REDACTED] house at [REDACTED] Sixth Avenue and drove to the home of a white female named Ann who lives on Williams Avenue, exact address unrecalled. At that point we got from the garage at Ann's house what I will refer to as a bread truck.

-16-

This is a 1970 or 1971 Ford panel truck, dark green in color having two big reflector-type lights on the top of the cab and having a wire mesh between the driver's area and the rear of the truck. It has two doors on the rear and two spare tires, one mounted on each side of the truck. It also has a door on each side of the cab area. This truck is unusual in that it has a spare tank underneath the rear of the truck and which I was told holds 45 gallons of gas. It is equipped with a switch whereby when the regular tank is empty the gas in the auxiliary tank can be used. Charlie and I drove this truck to a body shop, address unknown, however, we got to this body shop by passing the Congress Hotel on Fourth Street continuing on Fourth Street past the Hilton Hotel where we turned left then down this new street to the Park Highland Hotel where we turned right on another street and continued on this street approximately one and one half to two blocks where we turned to the right into the body shop. Behind this body shop is a large commercial parking lot, name unrecalled, but it's the type of parking lot where an individual parking in this lot puts his payment for his parking in slots on a board. This is a drive-in type body shop and there were three black males inside. One of them was called "Tucker" a black male age about 30-40 with a scar running from a point near his left eye to the corner

-17-

of his pants on his left side. There was a second young black male in the garage described as being 6'4" and approximately 20 years of age. The third black male in this garage was under a car and I cannot describe him physically.

There is some additional information which I should furnish you. A couple of days after we arrived in Portland, I came upon Kathy making a recording at which time she was reading from a script and saying something about being a prisoner of the revolutionary army, stating that she was safe and well taken care of. She made a statement that no one should try to catch her or something to this effect. She referred to a large well equipped army and to automatic weapons. She mentioned something about medical units. I asked her what she was doing and she said, "just goofing around." Later on she told me that she was pretending to be Patricia Hearst. I know Kathy is an excellent voice impersonator and she can speak exactly like Patricia Hearst.

Let me also add that I took part in a recording along with Dennis and Cinque. All three of us read from scripts. Cinque identified himself as president of the revolutionary army. Dennis identified himself as the vice

-18-

president of the revolutionary army and used the name Osay Ahmad, or some similar-sounding name. I identified myself in the recording only as a general of the revolutionary army, using no name. The material we read included such statements as "the overthrow of the corrupt Gestapo machine that is now bleeding the hearts and pocketbooks of the American people at large." I considered making this tape a joke.

After staying at Honey Bee's in Portland two or three days I "split," leaving Kathy at Honey Bee's. I thereafter flew to Cleveland, got my car, drove twenty miles out of town and spent the night at Grandma's Motel. The next day I drove to the home of [REDACTED] a friend of Kathy who lives in Takoma Park, Maryland. Susan has nothing whatever to do with "the movement." She is just a friend of Kathy. I discussed with her Kathy's involvement in the movement and Susan agreed to talk to Kathy in Portland. She called Kathy from her house and Kathy agreed that if I would return to Portland she would leave Honey Bee's house and return with me to Baltimore.

I flew to Portland, picked up Kathy and we then flew to Washington, D. C. where we went to her grandmother's,

-19-

[REDACTED] at apartment 65, [REDACTED]
Northwest. I went to Raleigh, North Carolina, then to
Atlanta and was later arrested by narcotics agents in
Atlanta, Georgia, on January 29, 1974.

I have been in custody since that time. I have
received three letters from Kathy and two letters from
Charlie since that time and have talked with Kathy by
telephone.

From these letters and from my conversations with
Kathy I am confident that Patricia Hearst, as of approximately
March 10 to 12, 1974, was being held at Honey Bee's house in
Portland. Kathy, in both her calls and letters, has indicated
to me that she was personally involved in the kidnaping of
Patricia Hearst. In fact, Kathy told me in one of the calls
that she took part in the actual kidnaping. In one of the
letters Kathy referred to Patricia Hearst as her "stand in."
I interpreted her reference to "stand in" as meaning Patricia
Hearst in view of Kathy's impersonation of Hearst on the
tape as outlined above. In another instance she referred to
"babydoll" and I interpreted "babydoll" to be Hearst. The
most recent letter is to the effect that her "stand in" is
in good health and "will remain so until the final deadline."
Kathy also mentioned she was "taking some things out to her,"

-20-

the weekend after my appearance in Memphis, which Kathy knew to be March 19, 1974. She has indicated to me she would visit me in the Memphis area after her return from Portland.

In one of the calls from Kathy she advised me that the last demand to be made by the group was for the release of a dozen or more prisoners presently in jails and safe conduct out of the country and when they are safely out of the country Patricia Hearst will be released. It has been generally understood that I would be included among such prisoners. Let me state here I have no intention of becoming involved in any such arrangement.

As I mentioned previously, I have also seen in the press photographs of Steven Wood, who is reportedly the boyfriend of Patricia Hearst.

With regard to the letters which I have mentioned and which I received from Kathy and Charlie after I was arrested January 29, 1974, these letters, along with other personal effects, including my toilet articles, were left in my cell, cell # 4, "Seg 1" (which represents Segregation Unit # 1), U. S. Penitentiary, Atlanta, Georgia, in the possession of [REDACTED] when I was removed from the Atlanta Penitentiary recently to be brought to Memphis for arraignment on the escape charge.

Re: HEARNAP

FBI File No. 7-15200

Lab. No. D-740319138 PF

Specimens received 3-18-74

- Q146 Photocopy of one page typewritten letter dated 11-28-73, beginning "We the waitresses of the G.E.U. ..."
- Q147 Photocopy of three-page typewritten letter dated 12-4-73, beginning "It is evident that the management ..."
- Q148 Photocopy of four-page typewritten letter beginning "We, Kathleen Soliah and Angela Atwood, are ..."
- Q149 Photocopy of typewritten note beginning, "We, Kathleen Soliah and Angela Atwood, authorize ..." and signed "Angela Atwood" and "Kathleen Soliah"

Result of examination:

The typewriting on Q147 is a similar size and type style to the questioned typewriting on Q20 through Q23 and Q32 through Q39, submitted in this case, Q16 and Q17 submitted in case captioned "AUGUST SEVENTH GUERRILLA MOVEMENT (ASGM) EM" and Q28 and Q29 submitted in case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM"; however, due to the indistinct nature of the available photocopies and the lack of sufficient individual identifying characteristics, a definite conclusion was not reached whether these items were prepared by the same typewriter.

The typewriting on Q148 and Q149 is a similar size and type style to the questioned typewriting on Q1 through Q4, Q6 through Q10, Q12 through Q20, Q22 through Q25, Q27, Q47, Q48, Q51, Q53 through Q57, and portions of Q49 and Q50 submitted in the SLA case; however, due to the

indistinct nature of the available photocopies and the lack of sufficient individual identifying characteristics, a definite conclusion was not reached whether these items were prepared by the same typewriter.

The typewriting on Q148 is a similar size and type style to the questioned typewriting on Q82 and Q83 submitted in this case; however, due to the indistinct nature of the photocopies and the lack of sufficient individual identifying characteristics, a definite conclusion was not reached whether these items were prepared by the same typewriter.

The conclusion was reached that the typewriting on Q146 through Q149 was not prepared by any of the typewriters used to prepare other questioned items submitted in this case, the SLA case or the ASGM case.

Q146 through Q149, which have been photographed, are being returned separately.

Enclosed for the Bureau are the following documents which [REDACTED] Davre's Electric Underground Restaurant, Bank of America Building Concourse, 555 California, San Francisco, California, made available on 3/15/74 from the restaurant's personnel file on ANGELA ATWOOD, who is the subject of San Francisco file 100-76888:

- 1) A letter dated 11/28/73 and addressed to Davre's Great Electric Underground, specifying complaints concerning waitresses' uniforms.
- 2) A letter dated 12/4/73 and addressed to Davre's Great Electric Underground, alleging that ANGELA ATWOOD and KATHLEEN SOLIAH were victims of retaliation by management.
- 3) A undated letter, submitted to the restaurant on or about 12/19/73, when ATWOOD and SOLIAH quit the restaurant's employ, giving their reasons for quitting.
- 4) An undated note signed by ATWOOD and SOLIAH authorizing [REDACTED] to pick up ATWOOD's and SOLIAH's final checks.

[REDACTED]

It is noted that the files of Davre's Great Underground Restaurant do not contain the originals of the enclosed type written documents. [REDACTED] has advised that the restaurant had never received any of the originals, which presumably were kept by ATWOOD and SOLIAH. [REDACTED] further advised that he does not have any information as to whether ATWOOD or someone else had drafted and typed these documents.

The name of ANGELA ATWOOD has been developed in connection with the investigation of the Symbionese Liberation Army as being possibly a member, sympathizer, associate, or contact of this group. She is also a prime suspect in HEARNAP. ATWOOD's present whereabouts is unknown.

KATHLEEN SOLIAH has been identified as having been a close associate of ANGELA ATWOOD and as having quit her waitress job at Davre's Great Electric Underground Restaurant on 12/19/73 at the same time ATWOOD did. When SOLIAH applied on 9/8/72 for employment at the restaurant, she listed a [REDACTED] as the person to notify in case of emergency; this [REDACTED] possibly identical to [REDACTED]

[REDACTED]

[REDACTED] A main case, [REDACTED] has been opened on SOLIAH to determine the extent of her involvement, if any, in extremist activities.

REQUEST OF THE FBI LABORATORY

It is requested that the enclosed documents be compared with type written specimens previously submitted in connection with HEARNAP, the Symbionese Liberation Army (Bufile 157-30832, San Francisco file 157-9806), and the August Seventh Guerrilla Movement (Bufile 157-30190, San Francisco file 157-9412) to determine if the typewriting is similar or identical to any previous submissions. After

To: Field Marshal Cinque, Symbionese Liberation Army

Re: Prisoner of War, Ms. Patricia Campbell Hearst

CCTs: TV, Radio, Newspapers, and hundreds of other people around the world.

Field Marshal Cinque:

The Universal Youth Defense Association, Inc. (UYDA) is a non-profit, non-partisan, interracial organization, and your non-violent, humane objective commands our attention and understanding.

As a black man, and as Universal Chairman, UYDA, who has personally freed almost one hundred (100) youths, black and white, from reformatories, jails, and mental hospitals by petitions in courts across the Land, I stand ready to assist the SLA in any court. Further, the UYDA stands ready to assist you in the distribution of food to the poor and needy.

On the 5th, Ultimo, the UYDA (corporation No. 649996, Sacramento) declared itself defunct and no longer existing. However, we did not, and now shall not, file the formal application for dissolution with the Secretary of State. The UYDA changed its decision and, therefore, still exists.

We think the Patricia Campbell Hearst affair may not have occurred if the gloomy shadow of race prejudice did not so deeply saturate our American way of life. But every multi-cultural society on earth has its race or ethnic problems, and this universality proves race prejudice to be a Law of Nature intended to separate kingdoms of life, not humanity.

All our senses, except our sense of sight, deal with the temporary, the transient, the forgettable. If, for example, a woman caresses the hand of her man that is cold, she may remember the occasion of the caress, but she will forget the coldness. If a man kisses a woman after she has drunk peppermint, he may remember the occasion of the kiss, but he will forget (be unable precisely to recall) the smell of peppermint. What we see, however, we tend to remember because our eyes deal with the relatively permanent, the fixed, the constant. Since it is inherent in human nature to reject that which is opposed to, or different from, what we judge to be right or good, a physical difference we constantly see we will not accept. That is the basis of race prejudice all over the world.

The solution lies with science, the organized, universal intelligensia. For the peace and happiness of all people everywhere, an organized, concerted, scientific attack upon race prejudice must be commenced. A Congress of Scientists should be convened for the aforesaid purpose; the study of anthropology in schools should be mandatory from first grade upward, and the First Amendment's guarantee of redress of grievances should be extended to youths by giving young Americans direct access to our courts.

For the gore in our society (race prejudice) has always prevented, and will continue to prevent, freedom for the people. The scientific understanding and arrest of race prejudice will accord freedom, peace, and happiness to all people everywhere.

Predicated upon the foregoing facts, I appeal to the TV, Radio, and Newspapers across the Land to broadcast and publish this Special Memorandum to Field Marshal Cinque, and I join the American Indian Movement in appealing to Field Marshal Cinque to release Patricia Campbell Hearst.

I have the honor to be -

Sri Kieran James Maurietta, Universal Chairman & Universal Director of Religious Affairs, UYDA; Liberationist; theorist; Member, ACLU, Seattle, Wash.; Member, NAACP, Pacoima, Ca.; Supporting Member, Feminist Women's Health Center, Los Angeles; Member, The Center for Study of Democratic Institutions, Santa Barbara, Ca.; Correspondence Secretary, Pacoima Welfare Rights Organization, Inc.; etc.

On 3/25/74, [redacted]

[redacted] met with the Director. Also present were Messrs. Miller, Gebhardt and Morrow. [redacted] indicated that the Board of Directors of the Hearst Foundation was meeting tomorrow in New York and that the victim's father, Mr. Randolph A. Hearst, was going to propose to the Board that four million dollars should be turned over by the Foundation to an unspecified number of individuals who would hold the money in trust. Two million dollars would be paid for the continuation of the food program when the victim is released unharmed and the additional two million dollars would be paid by the Foundation for additional food after the first of next year. [redacted] was concerned as to how the Board of Directors should react to Mr. Randolph A. Hearst's proposal.

[redacted] indicated he opposed further negotiations and indicated strongly he did not favor agreeing to pay any amount of additional money. Throughout the discussion with [redacted] the consequences of the alternatives that the Board faced in this decision were outlined. [redacted] recognized the final decision was the Foundation's and that the FBI could not dictate a final decision to him or the Foundation, however, our position was made known. It was the consensus that he left the meeting with the Director firmly convinced that his position of no further negotiations or payment of money was correct and had been reinforced through this discussion.

[redacted] also expressed some concern regarding the possibility of additional kidnappings with prominent families being the victims. This matter was also discussed and it was emphasized to [redacted] that the FBI had a very creditable record in the recent rash of kidnappings which would undoubtedly serve as a deterrent.

After [redacted] had departed it was agreed that the FBI would attend the meeting of the Foundation only if an invitation was forthcoming from the victim's father, Mr. Randolph A. Hearst inasmuch as all our dealings in this matter had been with him.

ACTION: None. For information.

FBI File No.

Lab. No. D-740225112 PF

Specimens received February 25, 1974

- Q1 Envelope postmarked "U.S. POSTAL SERVICE, ME 044 FEB 19 1974 PM" bearing the typewritten address "Editor, Bangor Daily News, Bangor Maine"
- Q2 Carbon copy of typewritten letter beginning "Your newspaper has been....."

Result of examination:

Q1 and Q2 were not identified with with material maintained in the Anonymous Letter File. Copies have been added thereto.

The typewriting on Q1 and Q2 is the same style as the typewriting on items Q41 through Q44 previously submitted in the case captioned "HEARNAP", which was determined to correspond to Laboratory standards for a Setag or Tangens style of type spaced 250 mm per 100 characters and used on typewriters manufactured under brand names including Calanda, Hermes, Japy, Princess, Royal and ABC. Some typewriting differences were observed in comparing the typewriting on Q1 and Q2 with the typewriting on Q41 through Q44 in the Hearnap case; however, due to the lack of a sufficient number of identifying characteristics, a definite conclusion was not reached whether these specimens were or were not prepared on the same typewriter.

No other typewriting on items previously submitted in the Hearnap case or in the case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" were determined to correspond to the above style of type.

Q1 and Q2 contain no watermarks, indented writing of significance or other characteristics to aid in definitely determining their source.

An eight-cent U.S. postage stamp, torn from a sheet of stamps, is affixed to Q1.

Q1 and Q2, which have been photographed, are being returned separately.

AT 6:44 PM, ON MARCH 26, 1974, A PICK UP TRUCK REGISTERED TO [REDACTED], AN SLA SUSPECT, WAS OBSERVED AT 587 MIRA VISTA. AN INDIVIDUAL BELIEVED TO BE [REDACTED] DEPARTED THE MIRA VISTA RESIDENCE AND JOINED AN INDIVIDUAL BELIEVED TO BE [REDACTED] IN THE TRUCK. EVENING OF MARCH 26, 1974 AND VISITED 587 MIRA VISTA.

DISCREET AND PERTINENT SURVEILLANCE OF INDIVIDUALS WHO ARE

SINCE JANUARY 11, 1974, AND THAT A LOOKOUT CAR CLOSELY REPRESENTING THE VEHICLE OWNED BY SOLTYSIK WAS SPOTTED AT THE KIDNAPING BY WITNESSES. THE BROADCAST NOTED THAT THE NAME OF PATRICIA HEARST'S FIANCEE, STEVEN WEED, APPEARED IN NANCY LING PERRY'S ADDRESSBOOK AND REPORTED THAT SHORTLY AFTER THE FOSTER KILLING, DONALD DE FREEZE WAS REPORTEDLY SEEN BRIEFLY IN REDDING, CALIFORNIA, WITH A WOMAN WHO WAS BELIEVED TO HAVE HELPED HIM IN HIS ESCAPE FROM PRISON.

(IN REFERENCE TO THE INFORMATION CONCERNING DE FREEZE, INVESTIGATION BY THIS OFFICE WOULD INDICATE THAT THE NEGRO MALE SEEN IN REDDING, CALIFORNIA, WAS THERO WHEELER AND NOT DE FREEZE.) THE SIZE OF THE SLA REMAINS UNKNOWN BUT POLICE ARE ACTIVELY INTERESTED IN ABOUT TEN OTHER INDIVIDUALS WHO HAVE MADE NO EFFORT TO GO INTO HIDING AND THE POLICE THEORIZE THAT THEY COULD BE MESSENGERS OR LISTENING POSTS FOR THE SLA.

HEARNAP AND THE SLA HAVE BEEN THE SUBJECT OF WIDESPREAD
NEWS MEDIA COVERAGE IN THE SAN FRANCISCO AREA. IN SOME ARTICLES
CONCERNING THIS MATTER, DONALD DAVID DE FREEZE AND THERO
WHEELER, UFAC FUGITIVES, AND NANCY LING PERRY, HAVE BEEN
LINKED AS BEING INVOLVED IN HEARNAP AND/OR ASSOCIATED WITH
THE SLA. SOME OF THE OTHER INDIVIDUALS MENTIONED ABOVE HAVE
BEEN IDENTIFIED BY THE MEDIA, HOWEVER, THIS IS THE FIRST
INSTANCE WHEREIN A COMPREHENSIVE REVIEW HAS BEEN MADE PUBLIC
CONTAINING BACKGROUND INFORMATION REGARDING OUR PRIME SUSPECTS
AND IDENTIFYING THEM AS BEING POSSIBLY INVOLVED IN HEARNAP.
IT APPEARS THAT ADDITIONAL WIDESPREAD PUBLICITY WILL BE
AFFORDED THESE INDIVIDUALS IN CONNECTION WITH THEIR POSSIBLE
INVOLVEMENT IN HEARNAP AND THE SLA. SINCE THEY HAVE BEEN SO
IDENTIFIED, THIS OFFICE IS NOW IN A POSITION WHERE IT CAN
CONDUCT MORE OPEN AND COMPREHENSIVE INQUIRIES CONCERNING THEM

AND THEIR ASSOCIATES. OF COURSE, THEIR ASSOCIATES WOULD INCLUDE ALL KNOWN AND SUSPECTED SLA MEMBERS CURRENTLY UNDER INVESTIGATION BY US. FOR EXAMPPLE, WE ARE ENGAGING IN AGGRESSIVE AND OVERT INVESTIGATIVE ACTION SINCE WE FEEL WE CAN EXPAND OUR INVESTIGATIVE ACTIVITIES WITHOUT THE FBI BEING ACCUSED OF JEOPARDIZING THE LIFE OF THE VICTIM. ONE EXAMPLE OF THIS IS THAT WE ARE CONTACTING ALL LOCAL POLICE AND SHERIFF'S OFFICES IN OUR TERRITORY MAKING INQUIRIES OF ANY UNSOLVED ARMED ROBBERIES SINCE DECEMBER 1 LAST WHERE THE PARTICIPANTS MIGHT FIT THE DESCRIPTION OF THE PRIME SUSPECTS FOR HEARNAP. IN THOSE CASES WHERE THERE IS A POSSIBILITY OF HEARNAP SUSPECTS BEING INVOLVED, WE ARE FURNISHING THE DEPARTMENTS PHOTOGRAPHS OF THE PRIME HEARNAP SUSPECTS WITH THE REQUEST THAT THEY EXHIBIT THEM TO ANY POSSIBLE WITNESSES. HOWEVER, AS WE HAVE INDICATED ON NUMEROUS OCCASIONS AND THE BUREAU HAS CONCURRED WITH OUR POSITION, WE WILL ENGAGE IN NO INVESTIGATIVE ACTIVITY WHICH WILL JEOPARDIZE THE LIFE OF THE VICTIM.

RE: RANDOLPH A. HEARST, VICTIM'S FATHER:

RANDOLPH AND CATHERINE HEARST RETURNED TO THE SAN FRANCISCO AREA FROM NEW YORK CITY DURING THE EARLY A.M., MARCH 27, 1974. IT SHOULD BE NOTED THAT HEARST ATTENDED BOARD MEETING OF HEARST CORPORATION HELD THAT CITY MARCH 26, 1974.

AS OF TODAY'S DATE, RANDOLPH HEARST PLANS ON HAVING A PRESS CONFERENCE AT 10:30 A.M. ON MARCH 28, 1974, AT WHICH TIME HE WILL ANNOUNCE THE RESULTS OF THE NEW YORK TRIP. HE PLANS TO STATE THAT IN ADDITION TO THE REGULAR BUSINESS MEETING OF THE CORPORATION THEY DISCUSSED THE FUTURE PAYMENT OF FOUR MILLION DOLLARS TO THE SLA, PROVIDING THE VICTIM IS RELEASED. IT WAS DECIDED THAT TWO MILLION DOLLARS WILL BE DEPOSITED IN AN IRREVOCABLE TRUST IN A LOCAL BANK TO BE RELEASED AT THE TIME WHEN THE VICTIM IS RELEASED

END OF PAGE FIFTEEN

[REDACTED]

UNHARMED, WITH THE REMAINING TWO MILLION DOLLARS TO BE DEPOSITED IN JANUARY, 1975 INTO THAT TRUST UPON HER RELEASE FOR FUTURE USE IN THE FOOD PROGRAM. THE MONEY REPORTEDLY IS TO BE HANDLED BY A THREE-MAN COMMITTEE WHO, AS OF NOW, ARE NOT PICKED, AND THE COMMITTEE WOULD OPERATE IN SUCH A WAY THAT THEY WOULD RECEIVE A LETTER FROM THE SLA STATING THAT THE SLA HAD RELEASED THE VICTIM, AFTER WHICH RANDOLPH HEARST WOULD THEN SUBMIT A LETTER TO THE COMMITTEE ADVISING OF HER RELEASE. RANDOLPH HEARST WOULD HAVE NO DECISION IN REGARD TO THE DISPERSAL OF THE FUNDS WHICH WOULD BE LEFT UP TOTALLY TO THE COMMITTEE.

IN ESSENCE, HEARST HAS OBTAINED FROM THE CORPORATION A COMMITMENT WITH NO STRINGS ATTACHED FOR FOUR MILLION DOLLARS, WHICH MONEY, UPON VICTIM'S RELEASE, WILL BE COMMITTED TO AN IRREVOCABLE TRUST, THE TRUST TO BE ADMINISTERED BY THREE INDIVIDUALS WHO WILL HAVE COMPLETE DISCRETION AS TO THE DISPERSING OF THESE FUNDS.

HEARST INDICATED LATE P.M., MARCH 27, 1974, THAT HE MAY HAVE TO POSTPONE PRESS CONFERENCE SCHEDULED A.M., MARCH 28, 1974, SINCE HE HAS NOT WORKED OUT COMPLETE DETAILS. HE WANTS TO BE ABLE

END OF PAGE SIXTEEN

TO ANNOUNCE AT THE PRESS CONFERENCE THE FACT THAT THESE FUNDS WILL BE AVAILABLE IMMEDIATELY UPON VICTIM'S RELEASE AND ALSO DISCLOSE THE IDENTITIES OF INDIVIDUALS SELECTED AS TRUSTEES.

ON MARCH 27, 1974, REVEREND CECIL WILLIAMS ADVISED HEARST AS FOLLOWS:

WILLIAMS STATED THAT IN RECENT CONTACT WITH DEATH ROW JEFF, THE LATTER INFORMED HIM THAT HE HAD BEEN IN CONTACT WITH THE SLA, THAT THEY, THE SLA, IS CONVINCED THE FBI IS AWARE OF THEIR LOCATION AND WILL ARREST THEM IMMEDIATELY UPON VICTIM'S RELEASE. ACCORDING TO DEATH ROW JEFF, VICTIM'S CAPTORS WANT COMPLETE ASSURANCE THAT THE FBI WILL GIVE THEM "RUNNING ROOM" IF THEY RELEASE VICTIM. FURTHER, THAT THEY WOULD LIKE HEARST, WILLIAMS, THE FBI, AND POSSIBLY ATTORNEY VINCENT HALLINAN, RAYMOND PORCUNNIER, HEAD OF CALIFORNIA DEPARTMENT OF CORRECTIONS, REMIRO, AND LITTLE, TO GET TOGETHER IN A CONFERENCE TO HAMMER OUT SOME SOLID ASSURANCES. AFTER THIS DISCUSSION, IT WOULD BE UP TO REVEREND WILLIAMS, HEARST, AND THE FBI TO GET WORD TO THE SLA REGARDING THE GUARANTEE OF "RUNNING ROOM". JEFF STATED THE SLA IS NOW TIRED, VERY DEPRESSED, AND AT A HIGH POINT OF DESPERATION,

END OF PAGE SEVENTEEN

AND THAT THEY HAVE NO INTENTION OF HARMING VICTIM BUT ONLY WANT TO GET AWAY.

CONCERNING THIS MATTER, HEARST INDICATED TO WILLIAMS THAT HE WOULD DISCUSS THIS MATTER WITH SAC DURING EVENING MARCH 27, 1974. HE FURTHER INDICATED THAT HE WOULD CONTACT SOME OF HIS FRIENDS IN WASHINGTON, D.C. IN AN ATTEMPT TO BRING PRESSURE ON "BATES' BOSS IN D.C." TO OKAY SUCH A PROPOSAL AS OUTLINED ABOVE.

SAC MEETING WITH HEARST THIS EVENING, AND BUREAU WILL BE ADVISED OF PERTINENT INFORMATION.

IT IS NOTED THAT DEATH ROW JEFF, PRIOR TO HEARNAP, CLAIMED THAT HE WAS ONE OF THE EIGHT-MAN ORGANIZING COMMITTEE OF THE SLA

INVESTIGATION TO DATE IN NO WAY DISPROVES HIS CLAIMS AND HE HAS UNDOUBTEDLY BEEN IN CONTACT WITH SLA MEMBERS OUTSIDE OF PRISON AND AN OBVIOUS FRIENDLY AND CORDIAL RELATIONSHIP EXISTED BETWEEN DEATH ROW JEFF, RUSSELL LITTLE, AND JOSEPH REMIRO DURING A RECENT ARRANGED MEET OF THE THREE AT SAN QUENTIN. IT IS ENTIRELY CONCEIVABLE THAT THE SLA COULD EASILY CHANNEL INFORMATION TO HIM THROUGH VISITOR CONTACTS WITH OTHER INMATES.

END OF PAGE EIGHTEEN

WE ARE ATTEMPTING TO DETERMINE IF REVEREND WILLIAMS WAS
IN FACT IN CONTACT WITH DEATH ROW JEFF IN THE RECENT PAST.

RE: "COURIER PROGRAM":

AS BUREAU AWARE, THIS PROGRAM IS A HIGH PRIORITY SURVEILLANCE
PROGRAM. IN VIEW OF RECENT DEVELOPMENTS, ANTICIPATED STATEMENT
BY RANDOLPH HEARST, AND COMPLETION OF PIN GIVE-AWAY PROGRAM, IT
IS BELIEVED THAT ANOTHER COMMUNICATION FROM THE SLA WILL VERY
POSSIBLY BE RECEIVED WITHIN THE NEXT FEW DAYS. IN VIEW OF THIS,
WE ARE INCREASING OUR SURVEILLANCES ON KNOWN SLA PADS AND ON
SELECTED SLA SUSPECTS NOT RESIDING AT SLA PADS. THIS COVERAGE
WILL BE ON A 24-HOUR BASIS AND EVERY EFFORT WILL BE MADE TO
DETERMINE IF ANY OF THESE INDIVIDUALS ARE BEING UTILIZED AS
COURIERS BY VICTIM'S CAPTORS. THIS INTENSIFIED COVERAGE WILL
CONTINUE THROUGH SUNDAY, MARCH 31, 1974 OR UNTIL WE RECEIVE
ANOTHER COMMUNICATION, WHICH EVER EVENT OCCURS FIRST.

[REDACTED]

This is to acknowledge receipt of your letter of March 13th with suggestions concerning the kidnaping of Miss Patricia Hearst. I appreciate the concern which prompted you to furnish your observations regarding this matter.

The FBI is conducting an intensive and exhaustive investigation in connection with the abduction of Miss Hearst. In this case and all such cases, the paramount concern of each and every FBI representative is the welfare of the victim. In fulfilling our investigative responsibilities, the FBI will take no action whatever which might possibly imperil or jeopardize the life or personal safety of the kidnap victim.

Sincerely yours,

Arch 13, 1974

Dear Sir,

The unceasing reports of ransom demands of the people who claim to hold Patricia Hurst in safe custody encouraged me to write this letter and to offer a suggestion which I am confident would almost entirely eliminate any other such kidnappings in the future and it might well result in her safe return to her parents.

History clearly shows that compliance with demands of extortioners is a futile gesture. No sooner is one demand met than a new one is presented.

My suggestion follows: round up all known members of the group which admits to her abduction and detainment. Publicly announce and also directly inform leaders of that organization that unless she is released to the safe care of her parents within 48 hours that one of their members that you hold in custody will be executed and that one more will be executed every 24 hours thereafter until the girl has been returned and that if she is not returned or if she is returned dead or maimed that all the rest of the prisoners will be executed forthwith and that from that time on that any member of the group will be shot on sight; that there will be an open season on them.

Don't make the executions by rank, but by chance. Assign a number to each of them and don't let any of them know what his or her number is. Each day select a number by some chance method such as a roulette wheel or a Bingo cage, then take the chosen victim and execute him without delay.

It is well past time that we begin to reassert our dominion over the non-Aryans among us. Otherwise we shall be destroyed by their arrogant claims to equal rights, just as have all other civilizations which have bowed to their demands.

Sincerely yours,

~~None of the typewriting on items submitted in~~
this case has been identified with typewriting submitted in
the Rosenberg or Ethel Rosenberg Liberman Army cases.

The typewriting on the address labels submitted
in this case is too limited to definitely classify but
closely resembles standards for the typewriter mentioned
in the attached report. This determination was made through
an exhaustive search of the Typewriter Standards File and in
consultation with other government agencies.

For your assistance, it has been noted that the
typewriting on the city and state portions of the addresses
on the address labels on many of the envelopes submitted
in this case is much heavier and is out of register with
the name portions of the addresses on the envelopes,
indicating that the name portion of the address was typed
on each label by a separate typewriting operation than
the city and state portions of the addresses. Although
the significance of this is unknown at this time, the
information is being furnished for your assistance.

Results of examination:

Q32, Q34, Q36, Q40, Q42, Q46, Q48, Q50 and the copy from which photograph Qc36 was made, are copies made from the same original utilizing what appears to be a mimeograph type process.

The typewriting on Q31, Q33, Q37, Q39, Q41, Q43, Q45, Q47, Q49 and the original from which Qc35 was made, is on pressure sensitive adhesive backed labels attached to the envelopes.

The conclusion was reached that the typewriter or typewriters used to prepare the typewriting on the envelopes submitted in this case were not used to prepare the typewriting on the stationery from which the copies of letters submitted in this case was prepared.

The typewriting on the address labels submitted in this case most closely resembles Laboratory standards for a Remington pick type style, spaced ten characters per horizontal inch, and used on Royal Executive electric typewriters. The typewriting on the copies of letters submitted, which is elite type, spaced twelve characters per horizontal inch, is too limited and too indistinct to permit classification as to make.

Each sheet of paper, Q32, Q34, Q36, Q40, Q42, Q44, Q46, Q48 and Q50 bears the watermark "RANDOLPH EDGEMOND BOND 50% COTTON FIBER" which is registered to the HVE Company, Post Office Drawer 311, Wilmington, Delaware. The submitted envelopes contain no watermarks. The submitted items contain no indented writing of significance or other characteristics to aid in definitely determining their source. An eight cent U.S. Postal Service stamp is affixed to each of the submitted envelopes. These stamps were torn from a roll or rolls of stamps.

The submitted items are being returned separately to the contributing offices. Photographs were made.

UNITED STATES GOVERNMENT

Memorandum

TO : MR. JENKINS

DATE: March 27, 1974

FROM : E. W. WALSH

SUBJECT: INQUIRY OF CONGRESSMAN
ROBERT L. F. SIKES CONCERNING
HEARST KIDNAPING CASE

ROBERT L. F. SIKES, CONGRESSMAN SIKES, HOUSE APPROPRIATIONS

Congressman Sikes, a member of the House Appropriations Subcommittee which handles our appropriation requests, asked for a confidential briefing on our progress in the Hearst kidnaping case. With the Director's approval, Supervisor Michael A. Morrow of the General Investigative Division and I called on the Congressman. Supervisor Morrow has been handling the supervision of the Hearst case since its inception. *Sup Morrow*

The Congressman asked what progress had been made in solving the Hearst case, registering some disappointment with our apparent lack of success. We advised the Congressman in confidence that the FBI has committed over 150 agents working full-time on this case. We have utilized all available investigative techniques in an effort to solve the case. We pointed out that we had identified several individuals we have every reason to believe are implicated in the abduction but to date we do not have legally admissible evidence in this regard. We pointed out that our posture has been one of doing everything possible to solve the case while at the same time not jeopardizing the safety of the victim. We outlined a number of specific things that we had done and are doing and assured the Congressman that we are leaving no stone unturned. The Congressman asked as to the position of the family and we explained that Mr. Hearst was obviously very concerned about the safety of his daughter and that his reluctance to take a hard line publicly prevented the FBI from taking certain publicly aggressive action such as grand jury subpoenas and search warrants. In regard to some of our investigative techniques, our 24-hour lookout *[redacted]* as outlined as were our unusual techniques regarding soil and insect samples. At the outset, the Congressman appeared somewhat distant in his approach to us but at the termination of our visit, appeared more relaxed, cordial, and appreciative. He concluded our meeting on a rather confident note, stating he was sure the FBI would ultimately solve this case. He expressed his appreciation for our having given him this confidential briefing.

San Francisco is of the opinion that [REDACTED] story is a complete fabrication and warrants no further investigation. The description of the San Francisco Headquarters located in the 700 or 800 block of Fourth Avenue, San Francisco, could not be verified by physical observation of this location. There is no 800 block of Fourth Avenue. The 700 block of Fourth Avenue is in the Richmond District and is composed of townhouses which are built without any airspace between them. These houses have a small strip of grass no more than four feet in width in front and there are no fences in the area.

The HEARST family relates that PATRICIA HEARST does not smoke cigarettes and is never known to have been in possession of a silver cigarette case. [REDACTED] does name a [REDACTED] belonging to the group in Portland, Oregon; however, page 41 of the FD-302 covering his interview indicates that [REDACTED] picked up [REDACTED] photograph from a large group and undoubtedly read the name, inasmuch as it was on the front of that photograph.

[REDACTED] is believed to be a resident of East Bay, California. [REDACTED] could hardly have been in contact with JOSEPH REMIRO, inasmuch as REMIRO has been in custody since his arrest on January 10, 1974. The name of CINQUE has been published in newspapers throughout the country and [REDACTED] or any other prison inmate could have been knowledgeable of DE FREEZE's alleged connection with HEARNAP.

San Francisco is of the opinion that the Portland Division should check out the house at 1035 Sixth Avenue in Portland, Oregon where he believes HEARST is held and also make inquiries at the body shop in that city where a panel truck was parked. It is not believed that any further investigation is warranted.

John Clements, Washington representative of the Hearst organization, telephonically contacted Quinn yesterday in my office to advise that a telephone call had been received in New York City from one [REDACTED] Ottawa, Canada, (telephone: [REDACTED]) placed the call to William Randolph Hearst, editor in chief of the Hearst Corporation, and the call was received by Jack O'Connell, Hearst's administrative assistant.

Clements advised that, according to O'Connell [REDACTED] spoke with a foreign accent, described himself as being [REDACTED] associated with an organization known as "Amnesty International" [REDACTED]

According to Clements, [REDACTED] indicated to O'Connell that he [REDACTED] "has ways to get to Patricia Hearst's kidnapers" and is willing to arrange a meeting for them at a location they (the kidnapers) would consider safe, such as a South American embassy, etc.

Clements called back later to advise that a member of the Hearst organization, who works for King Features, has indicated that he knows [REDACTED] describes him as [REDACTED] and that he is convinced [REDACTED] is on the level.

The letter was received at the Governor's Office, Jackson, Miss., on 2/26/74.

[redacted] advised that he has handled the letter and the envelope and Governor WILLIAM LOWE WALLER has also handled it. Other members of the Governor's Staff, who are unidentified, may have also handled this letter.

[redacted] advised that Governor WALLER does not consider this letter to be a threat upon him; however, he thought the FBI might be interested in the letter. The Governor has no idea who may have directed the letter to him and he has not received any similar letters.

For assistance of the FBI Laboratory, fingerprints of [redacted] should be on file since he was in the U. S. Navy in May, 1954, and applicant for Mississippi Highway Safety Patrol in April, 1963. Fingerprints of Governor WILLIAM LOWE WALLER should be on file since he has previous record for service in the U. S. Army.

REQUEST OF THE BUREAU:

The Latent Fingerprint Section is requested to examine the enclosed envelope and letter and to compare any latents developed with those of [redacted] and Governor WALLER.

The Laboratory is requested to examine the enclosed envelope and letter and determine the make of typewriter used in the preparation of this letter and is requested to conduct any other examination deemed necessary.

A copy of this communication is directed to New York and WFO for information since they were advised of identical letter addressed to Senator JAMES O. EASTLAND, Jackson, Miss., in referenced airtel.

For additional information, all offices, the message contained in the enclosed letter quotes almost directly from a portion of the message contained on the tape cassette

Memorandum from Mr. Wannall to Mr. Miller, captioned as above, dated March 25, 1974, proposes that the FBI prepare an affidavit to support an application for a court-ordered surveillance to be used in the Hearst kidnaping case. In the absence of probable cause to obtain an order under Title III, the memorandum suggests that a Federal court be approached with the proposition that the court has a power and a responsibility to act in the absence of legislation where the surveillance is needed for intelligence purposes in order to solve the kidnaping.

As correctly pointed out in the memorandum, there is no authority in the statutory law to support the issuance of a court order for electronic surveillance in domestic matters other than Title III. The argument presented by the memorandum is that if a court could be convinced of the reasonableness of our need, the issuance of a court order would satisfy the Fourth Amendment and would then be a test case on the question of whether domestic intelligence electronic surveillance is necessary and proper under the law.

As commendable as this effort is, unfortunately I cannot agree with the recommendations in the memorandum. There are two basic flaws. The first difficulty is that while the Congress cannot by

Memorandum to Mr. E. S. Miller

Re: Electronic Surveillance for Intelligence Purposes, etc.

statute expand the Constitution, it can by statute enact more restrictive limitations than are imposed in the Constitution. Such a statute imposing more restrictive limitations than the Fourth Amendment to the Constitution is Title 18, United States Code, Section 2511, which prohibits electronic surveillance except as specifically provided in Chapter 119 of Title 18 which deals with electronic surveillance. This statute, therefore, prohibits electronic surveillance except those which are commonly known as Title III court-ordered surveillances, and consensual monitoring.

The statute does recognize the authority of the President to act in regard to situations where he deems it necessary to protect the Nation against actual or potential attack or other hostile acts of a foreign power, to obtain foreign intelligence information deemed essential to the security of the United States, or to protect national security information against foreign intelligence activities. The decision of the Supreme Court in the Keith case indicates that this exception in the statute recognizes Presidential authority only in regard to situations other than surveillances concerning domestic organizations or groups.

Therefore, the legal conclusion is that while it might be possible to satisfy the constitutional requirements in the Fourth Amendment, we are prohibited by statute from undertaking electronic surveillance of a domestic organization except under the procedures prescribed by Title III.

The second problem with the proposal is a practical problem. I do not agree that a case involving the life of a kidnap victim should be used as a test case where it is very likely that the district court would doubt its authority to issue such an order. The matter would then be reviewed by a court of appeals and perhaps even by the Supreme Court of the United States. This judicial review would generate enormous publicity and would be exceptionally controversial. It seems to me that such action on the part of the FBI could be called irresponsible if it resulted in the increased likelihood that the victim would not be returned unharmed.

Memorandum to Mr. E. S. Miller
Re: Electronic Surveillance for Intelligence Purposes, etc.

RECOMMENDATION:

For the above two reasons, it is my recommendation that the Hearst kidnaping case not be used as a test vehicle to establish the authority of the FBI to undertake electronic surveillance in domestic cases for intelligence purposes outside of the procedures of Title III.

The typewriting on the Q142 and Q150 envelopes most closely corresponds to Laboratory standards for an Olympia style of type spaced 230 millimeters per one hundred characters.

The sheets of paper, Q143, Q144, Q145 and Q150 bear a watermark of blocked initials with wings and the words "SELECT ERASABLE BOND". This watermark is registered to

the Wilson-Munroe Company, Ltd., 200 Queen's Quay E., Toronto, Ontario, Canada. The submitted envelopes contain no watermarks. ~~The submitted items contain no indented~~ writing of significance or other characteristics to aid in definitely determining their source.

Two eight cent U.S. Postal Service stamps, torn from a roll or rolls of stamps are affixed to Q150. Two ten cent U.S. Postal Service stamps, torn from a sheet of stamps, are affixed to Q142.

Q142 through Q145 and Q150, which have been photographed, are being returned separately to the contributing offices.

FBI File No. 7-15200
Lab. No. D-740314031 PF

Specimens received 3-14-74, from SAC, New York:

Q138 Manila envelope bearing typewritten address "MR. HARRY REASONER, C.O. A.B.C. NEWS, NEW YORK, N.Y. 10000" with accompanying carbon copy of one page typewritten letter beginning "PATRICIA HEARST IS SAFE ..." and photocopies of twelve pages of literature on Concerned Citizens for Social Development, San Francisco, California, including photocopy of a paper by Roland L. Hayes

Q139 Manila envelope bearing typewritten address "MR. JOHN CHANCELLOR, N.B.C. NEWS, C.O.N.B.C., NEW YORK N.Y. 10000" with accompanying carbon copy of one page typewritten letter beginning "PATRICIA HEARST IS SAFE ..." and photocopies of eleven pages of literature on Concerned Citizens for Social Development, San Francisco, California, including photocopy of a paper by Roland L. Hayes

Q140 Manila envelope bearing typewritten address "MR. WALTER CRONKIKE, C.O.C.B.S. NEW, NEW YORK, N.Y. 10000" with accompanying one page typewritten letter beginning "PATRICIA HEARST IS SAFE ..." and photocopies of twelve pages of literature on Concerned Citizens for Social Development, San Francisco, California, including photocopy of a paper by Roland L. Hayes

Specimen received 3-18-74, from SAC, Washington Field Office:

Q141 Manila envelope bearing typewritten address label "MR. HOWARD E. SMITH, C.O. A.B.C. NEWS, WASHINGTON, D.C." with accompanying original one page typewritten letter beginning "PATRICIA HEARST IS SAFE ..." and photocopies of twelve pages of literature concerning "Concerned Citizens for Social Development, San Francisco, California", including photocopy of a paper by Roland L. Hayes

Result of examination:

Q138 through Q141 were not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

The typewriting on the submitted manila envelopes and letters signed "S.L.A." is a similar spacing and type style to the typewriting on Q41 through Q44, previously submitted; although, due to the limited amount of comparable typewriting and the lack of sufficient individual identifying characteristics, a definite conclusion was not reached whether these items were prepared by the same typewriter.

However, some possible style differences were observed in comparing the typewriting on Q41 through Q44 with the typewriting on the currently submitted items referred to above.

The conclusion was reached that the typewriting on the submitted items was not prepared by any of the typewriters used to prepare other items submitted in this case, the typewriting on items submitted in case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" or typewriting on items submitted in the case captioned "AUGUST SEVENTH GUERRILLA MOVEMENT (ASGM) EM."

The typewriting on the submitted manila envelopes and letters signed "S.L.A." most closely corresponds to Laboratory standards for a Setag pica style of type, spaced 250 millimeters per one hundred characters, used on Singer portable typewriters. Similar Setag type styles are used on typewriters manufactured under brand names including Calada, Hermes, Japy, Princess and Royal.

The typewriting on the photocopies of literature contained in Q138 through Q141 corresponds to Laboratory standards for a pica style of type, spaced ten characters per horizontal inch used on Underwood and Olivetti typewriters.

The Q138 through Q141 items bear no watermarks, indented writing of significance or other characteristics to aid in definitely determining their source. The eight cent U.S. Postal Service stamps, affixed to the submitted manila envelopes, were torn from a booklet or booklets of stamps.

Q138 through Q141, which have been photographed, are being returned separately to the contributing offices.

Following statement was received at 1:00 p.m., Pacific Standard Time, 3/30/74, from Randolph A. Hearst, victim's father. This statement was obtained from Death Row Jeff, an inmate at Vacaville, a California prison facility.

This statement will be made available to the wire services at 3:00 p.m., Pacific Standard Time, this date.

The text of the statement is as follows:

3/30/74

Greetings to the poor and oppressed people of the world.

Greetings to Comrades Russell J. Little and Joseph M. Remiro, now prisoners in the Tiger Cages of the Alameda County Jail. Your Comrade Death Row Jeff wishes to express solidarity with the communique issued by my comrades Russell J. Little and Joseph M. Remiro on 3/28/74. Your brothers and sisters are truly soliders of the people and are more beautiful than life itself to me. In furtherance to my Comrades communique of 3/28/74, I hereby suggest to General Field Marshal Cinque that it would be for the best interest of the poor and oppressed people to start negotiations as soon as possible with Randolph Hearst, to release the prisoner of war Patricia Hearst. I have been assured that upon the release of the prisoner of war, four million dollars will be placed in the appropriate organization for the purpose of feeding the poor as per the instructions of the SLA. Negotiations should deal with any combat units that may be pinned down in the field.

He realized considerable controversy exists concerning the possibility that both he and PATTY HEARST are in some way implicated in a conspiracy involving her kidnap. WEED denied that he or PATTY HEARST had any prior knowledge about the kidnaping and hoped that all controversies could be resolved as a result of the polygraph examination. WEED explained that he realized that many of his public statements were somewhat radical but he purposely was attempting to straddle the fence between the Symbionese Liberation Army's (SLA) demands and the FBI's investigation. WEED explained that he felt this posture was necessary to help protect PATTY HEARST from physical harm and could possibly expedite her release if the SLA were convinced that neither he nor PATTY HEARST would testify against them.

During the polygraph interview WEED appeared to cooperate to the best of his ability and gave every indication of sincerely wishing to resolve the controversy surrounding both he and PATTY HEARST. He did not wish to restrict the questions in any manner.

Significant emotional responses were obtained to various non-relevant-type questions for comparison purposes. No significant reactions indicative of deception were obtained to any relevant-type question. Based on the overall interview, it does not appear that WEED has guilty knowledge or is a conspirator to this kidnaping.

Polygraph chart and questions will be maintained in Los Angeles case file 94-648.

Specimens received 3-11-74, from FBI, Los Angeles:

bearing writing of DONALD DAVID DE FREEZE

Specimen received 3-14-74, from FBI, New York:

K24 One Inmate Questionnaire and copy of Certificate of Release
on Parole bearing writing of DONALD DAVID DE FREEZE

Result of examination:

The conclusion was reached that the blue ink questioned writing on the unruled side of Q100 submitted in captioned kidnaping case and the questioned writing on item Q32 submitted by the Oakland, California, Police Department, in case captioned "SYMBIONESE LIBERATION ARMY (SLA)" was prepared by DONALD DAVID DE FREEZE, K12, K21 and K24.

A definite conclusion was not reached whether the remaining unidentified questioned writing on items submitted in the captioned kidnaping case or in the Symbionese Liberation Army case was prepared by DE FREEZE, due to the presence of unexplained variations, the lack of sufficiently comparable writing and the limited amount of questioned writing on some of the items previously submitted. However, significant handwriting similarities were observed in comparing the available writing of DE FREEZE with the questioned writing on the cassette tapes designated Q113, Q126 and Q127 in the captioned kidnaping case,

the questioned handwriting on the lower portion of Q42 submitted in the Symbionese Liberation Army case and the questioned handwriting on Q40 submitted in the Symbionese Liberation Army case, which indicates this questioned writing may also have been prepared by DE FREEZE.

K21 is attached with copies of this report for Los Angeles. K24 is attached with copies of this report for New York. Appropriate photographs were made.

RE SAN FRANCISCO SUMMARY TELETYPE MARCH 27, 1974.

UNDER ADMINISTRATIVE IN REFERENCED TELETYPE, BUREAU WAS ADVISED SAC MEETING WITH HEARST AFTERNOON OF MARCH 27, 1974.

DURING EVENING MARCH 27, 1974, I MET FOR SEVERAL HOURS WITH BOTH MR. AND MRS. HEARST. HEARST ADVISED THAT HE INTENDS TO MAKE A STATEMENT MARCH 28, 1974, THANKING THE MANY PEOPLE WHO PARTICIPATED IN THE FOOD DISTRIBUTION PROGRAM. HE WAS GOING TO ADMIT THAT HE HAD MADE MISTAKES IN THE PROGRAM AT FIRST BUT THAT THESE MISTAKES HAD BEEN CORRECTED AND HE FELT THAT THE LAST DISTRIBUTION OF FOOD WAS IN COMPLETE ACCORDANCE WITH THE SLA DESIRES. HE WILL STATE THAT IN A MEETING WITH THE HEARST CORPORATION BOARD OF DIRECTORS, IT WAS AGREED THAT FOUR MILLION DOLLARS ADDITIONAL WOULD BE PROVIDED UNDER AN IRREVOCABLE TRUST AND THESE MONIES WOULD BE MADE AVAILABLE TO

ANY GROUP OF PROGRAM THE SLA WOULD DESIGNATE. THE TRUST WOULD BE RUN BY TRUSTEES WHO WOULD BE APPOINTED AFTER ASSURANCES FROM THE SLA THAT THESE INDIVIDUALS WERE ACCEPTABLE TO THEM. THE FOUR MILLION DOLLARS WILL BE CONTINGENT UPON THE SAFE RETURN OF PATTY. HE THEN INTENDS TO ASK THE SLA TO CONTACT HIM FURTHER REGARDING NEGOTIATIONS FOR THE RELEASE OF PATTY.

HEARST THEN ADVISED ME HE HAD A CONVERSATION WITH CECIL WILLIAMS, WHO HAD BEEN CONTACT WITH DEATH ROW JEFF IN PRISON. ACCORDING TO WILLIAMS, JEFF SAYS THE KIDNAPERS WANT ASSURANCES THAT THEY WOULD BE PERMITTED TO LEAVE THE COUNTRY WITHOUT INTERFERENCE UPON THEIR AGREEMENT TO RELEASE VICTIM. HEARST ALSO SAID THAT WILLIAMS HAD INDICATED JEFF WOULD LIKE TO TALK TO SAC, HEARST, WILLIAMS, AND POSSIBLY OTHERS IN A CONFERENCE TO WORK OUT THESE ASSURANCES. I TOLD HEARST THAT THERE WAS ABSOLUTELY NO INFORMATION TO PROVE THAT JEFF HAD A DIRECT CHANNEL TO THE SLA OR THAT WILLIAMS HAD SUCH A CHANNEL, THAT THIS SHOULD BE THE FIRST THING ESTABLISHED. I ALSO TOLD HIM

7-855

THAT THE SLA HAD NOT MADE A DEMAND THAT THEY BE PERMITTED TO LEAVE THE COUNTRY. HE ASKED IF SUCH ASSURANCES COULD BE GIVEN, THAT THEY WOULD BE PERMITTED TO LEAVE IF THIS WAS THEIR DEMAND. I TOLD HIM I COULD SEE NO WAY THAT SUCH ASSURANCES COULD BE GIVEN BY ANYONE IN THE ABSENCE OF SPECIFIC FACTS AS TO ALL OF THE DETAILS INVOLVED IN SUCH AN OPERATION. I POINTED OUT THAT THE SLA SO FAR HAS NOT SHOWN GOOD FAITH, THEY HAVE ONLY MADE DEMANDS AND HAVE NOT OFFERED ANYTHING IN RETURN, THEY HAVE NOT EVEN SAID THEY WOULD RELEASE THE VICTIM IF CERTAIN CONDITIONS WERE MET.

I TOLD HEARST IF JEFF WANTED TO TALK WITH ME AND HE HAD SOME INFORMATION OF INTEREST TO THE FBI AND THE PRISON AUTHORITIES AGREED TO SUCH A MEETING, I WOULD TALK TO HIM AS I WOULD TALK TO ANYONE OFFERING INFORMATION IN THIS CASE; THAT I WOULD NOT TALK TO HIM IN A GROUP WITH OTHERS WHO HAVE NO DIRECT INVOLVEMENT IN THE CASE. I SUGGESTED THAT IF JEFF WANTED TO TALK TO HEARST, CECIL WILLIAMS, ATTORNEY VINCENT

GALLINAN OR ANYONE ELSE THIS WAS OF COURSE UP TO THEM BUT ANY CONVERSATION I MIGHT HAVE WITH JEFF WOULD BE BETWEEN THE TWO OF US.

HEARST THEN ASKED ME IF THE FBI KNEW SPECIFICALLY WHERE PATTY WAS BEING HELD WOULD I COME TO HIM FIRST BEFORE TAKING ANY ACTION TO RESCUE HER. I TOLD HIM NO I WOULD NOT. THAT SUCH ACTION WOULD BE BASED ON FACTS, AS WELL AS THE FBI'S PROFESSIONAL ABILITY AND THAT, THEREFORE, WE WOULD NOT ASK HIM IF WE COULD TAKE ACTION. I REMINDED HIM THAT I HAVE NOT DISCUSSED ANY DETAILS OF OUR INVESTIGATION WITH HIM AND THAT I WILL NOT DO SO IN THE FUTURE. I TOLD HIM AS FAR AS I WAS CONCERNED, HE AND I HAD WORKED TOGETHER WELL, THAT WE HAD HAD NO DISAGREEMENTS AND THAT WE WERE ALL WORKING FOR ONE THING --- THE SAFE RETURN OF HIS DAUGHTER AND THE SUBSEQUENT ARREST OF THOSE RESPONSIBLE FOR HER KIDNAP, HE AGREED WITH THIS COMPLETELY.

[REDACTED]

[REDACTED]

END PAGE FOUR

PAGE FIVE

7-855

[REDACTED]

I AM SURE THAT THERE IS ABSOLUTELY NO INFORMATION OR INDICATION OF A DIRECT CHANNEL TO THE SLA BY CECIL WILLIAMS, JEFF, OR ANY OF THE PEOPLE WHO HAVE BEEN TALKING TO HEARST. HE HAS HAD MANY CONVERSATIONS IN THE PAST WITH PEOPLE WHO TOLD HIM THEY HAD A CHANNEL WITH THE SLA. THERE ARE A NUMBER OF WAYS THAT THE SLA COULD COMMUNICATE WITH THE FBI OR HEARST AS TO THEIR DESIRES WITHOUT MAKING THEM PUBLIC. THE SLA MUST REALIZE THIS AND CERTAINLY JEFF MUST BE AWARE OF IT.

THIS MATTER IS BEING FOLLOWED CLOSELY AND ANY DEVELOPMENTS WILL BE IMMEDIATELY FURNISHED TO THE BUREAU'S ATTENTION.

HEARNAP.

THE FOLLOWING DATA IS SET FORTH IN RESPONSE TO BUREAU TEL CALL TO SAN FRANCISCO, THIS DATE.

SAN FRANCISCO OFFICE CONTEMPLATES THE FOLLOWING COURSE OF INVESTIGATIVE ACTION IN THE EVENT VICTIM IS RELEASED:

VICTIM, UPON RELEASE, WILL BE ISOLATED AND THOROUGHLY INTERVIEWED AND BASED UPON INFORMATION FURNISHED BY HER WE WILL ENDEAVOR TO OBTAIN WARRANTS FOR HER ABDUCTORS. IT SHOULD BE NOTED THAT WE ALREADY HAVE UFAC WARRANTS FOR DONALD DE FREEZE AND THERO WHEELER. IF WE DETERMINE THAT SUBJECTS DID NOT FLEE INTERSTATE, WE WOULD STILL HAVE A VIOLATION OF THE EXTORTION STATUTE SINCE THE FIRST TWO COMMUNIQUEES WERE SUBMITTED THROUGH THE MAILS AND IF WE DETERMINE THAT WHEELER AND DE FREEZE WERE HOLED UP WITH VICTIM AND OTHER INDIVIDUALS INVOLVED IN HER ABDUCTION, WE COULD CHARGE THEM UNDER THE HARBORING STATUTE AND MISPRISON OF A FELONY.

IF IN THE EVENT VICTIM IS RELEASED, AS BUREAU AWARE, WE HAVE WITH THE COOPERATION OF THE U.S. ATTORNEY'S OFFICE PREPARED ROUGH

DRAFT SEARCH WARRANTS WHICH WE ARE UPDATING ON A DAY TO DAY BASIS TO INCLUDE NEW SLA RESIDENCES AND DATA WHICH WILL BUTTRESS OUR SEARCH WARRANTS. THESE SEARCH WARRANTS WILL BE SERVED ON THREE SLA PADS AND ARRANGEMENTS HAVE BEEN MADE WITH THE U.S. ATTORNEY'S OFFICE AND OFFICIALS OF THE U.S. DISTRICT COURT TO EXPEDITE THE ISSUANCE OF THESE WARRANTS REGARDLESS OF THE TIME OF DAY OR NIGHT.

INVESTIGATION CONDUCTED TO DATE WOULD INDICATE THAT MOST PROBABLY THE ABDUCTORS WILL BE INCLUDED AMONG SOME EIGHT PRIME SUSPECTS. WE HAVE PREPARED AMPLE PHOTOGRAPHS AND HAVE MADE PREPARATIONS FOR IMMEDIATE ISSUE APB ON THESE INDIVIDUALS AND THE EXPEDITE DISTRIBUTION OF PHOTOGRAPHS TO LAW ENFORCEMENT OFFICIALS THIS AREA AND THE MEDIA. ALL OFFICES OF THE FBI ARE ALSO IN POSSESSION OF PHOTOS OF THESE INDIVIDUALS.

IN CONNECTION WITH THE ABOVE INTERVIEW AND SEARCH TEAMS HAVE ALREADY BEEN DESIGNATED AND WE PLAN ON CONDUCTING INTERVIEWS AT KNOWN SLA PADS SIMULTANEOUSLY WITH THE EXECUTION OF OUR SEARCH WARRANTS.

RE PROPOSED COURSE OF ACTION IN EVENT SITE WHERE VICTIM BEING HELD IS DETERMINED.

IF THIS SITUATION DOES ARISE, OF COURSE, AS BUREAU IS AWARE,

PARAMOUNT CONCERN WOULD BE VICTIM'S SAFETY. OUR FIRST OBJECTIVE WOULD BE TO EXTRICATE VICTIM FROM LOCATION WHERE SHE IS BEING HELD AND IF WE ARE SUCCESSFUL IN THIS ENDEAVOR, WE WOULD THEN MOVE IN ON THE LOCATION AND UTILIZE APPROPRIATE PERSONNEL AND EQUIPMENT TO EFFECT THE APPREHENSION OF VICTIM'S ABDUCTORS.

IF THE EVENT CIRCUMSTANCES ARE SUCH THAT WE ARE UNABLE TO ATTEMPT RESCUE OF VICTIM, THEN WE WOULD DEPLOY SUFFICIENT PERSONNEL TO INSURE THAT VICTIM WAS NOT MOVED WITHOUT OUR KNOWLEDGE OR ANY OF HER CAPTORS WERE ALLOWED TO ESCAPE. WE WOULD MAKE EVERY EFFORT TO HANDLE THIS IN A MOST DISCREET MANNER SO AS TO PRECLUDE VICTIM'S CAPTORS BECOMING AWARE THAT WE ARE COGNIZANT OF THEIR LOCATION. WE DURING THIS CONTAINMENT PERIOD, WOULD ENDEAVOR TO DETERMINE A PATTERN OF ACTIVITY ON THE PART OF VICTIM'S ABDUCTORS AND IF A SITUATION OCCURS WHEREIN WE CAN SUCCESSFULLY RESCUE VICTIM, WE WILL MAKE EVERY EFFORT TO DO SAME.

RE OUR RESPONSE TO SLA DEMANDS FOR EXCHANGE OF PRISONERS AND SAFE CONDUCT.

THIS SITUATION HAS BEEN THE SUBJECT OF IN DEPTH DISCUSSION AND SAN FRANCISCO'S POSITION, WHICH IS IN ACCORD WITH BUREAU POLICY, IS THAT IN THE EVENT SUCH A DEMAND IS MADE WE WILL NOT UNDER ANY

SHOULD WE DETERMINE THAT VICTIM'S FATHER NEGOTIATES AN EXCHANGE OF HIMSELF FOR THE VICTIM AND GUARANTEES FOREIGN ASYLUM FOR VICTIM'S CAPTORS, WE WILL DO EVERYTHING IN OUR POWER TO PRECLUDE SUCH AN ARRANGEMENT BEING CARRIED OUT CONSISTENT WITH THE SAFETY OF THE VICTIM AND/OR THE VICTIM'S FATHER.

CHARLES MARTIN CONLEY, NANCY HARRIS, ANGELA ATWOOD, WILLIAM and EMILY HARRIS, CAMILLA HALL, NANCY LING PERRY, and STEVEN ANDREW WOOD set forth.

WILLIAM HARRIS, sent a self-addressed envelope to General Delivery, Santa Clara, California, on 2/19/74, which envelope contained \$250. Due to an error in the zip code, the letter was delivered to Santa Clara, California, and then forwarded to Santa Clara on 3/14/74. No inquiry for mail under the name JANET SCOTT has been received by General Delivery, Santa Clara. A glove located in the kidnaping vehicle has been identified as being similar to a glove owned by EMILY HARRIS. Investigation in the vicinity of 1560 Sutherland Court, Concord, California, set forth. Various photographs have been exhibited to witnesses who saw the Volkswagen bug in area of the kidnaping on the night of the kidnaping. No positive identification made. Some witnesses states that among others, the photograph of [REDACTED] resembles one of the individuals in the Volkswagen bug. Among the individuals viewing photographs of suspects in this matter on the night

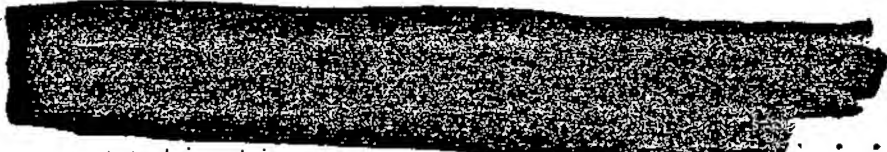

of the kidnaping, two people chose the photograph of DONALD
DAVID DE FEEZE as possibly being identical with the black
male observed in the vicinity of the kidnaping. ARMED AND

BACKGROUND REGARDING THE
SYMBIONESE LIBERATION ARMY (SLA)

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 3/4/74

[redacted] California, telephone [redacted] was advised of the identity of the interviewing agents. [redacted] was advised that [redacted] was being interviewed concerning the research he had done on the Symbionese Liberation Army (SLA), the HEARST kidnapping, and the threat on his life by two black males that claimed to be members of the SLA. [redacted] appeared quite concerned for his personal safety at the time of his interview. He provided the following information, which is arranged in a chronological order as it occurred with [redacted]

[redacted] advised that he is [redacted] and is in [redacted]

[redacted] assigned the entire class a research project on the origin and formation of the SLA. This assignment was to be handled by each class member on an individual basis. [redacted] stated that his research and investigation was considerably more extensive than the rest of the class, inasmuch as they limited their investigation to the various media accounts of the SLA.

After the assignment was made, [redacted] went to Doc Brown at UCB and read all the newspaper accounts of the SLA.

[redacted] then contacted the Oakland Police Department, Oakland, California, and spoke with a Sergeant [redacted] and Captain [redacted]. [redacted] stated that [redacted] and [redacted] did not reveal much about the SLA. [redacted] speculated that the group must be a cold blooded group. [redacted] advised [redacted] that there was no evidence of any prior organization of this kind in the United States. [redacted] advised [redacted] that there may be

more arrests of friends of LITTLE and REMIRO. [redacted] advised [redacted] that there is no logic in killing someone in cold blood, referring to the murder of MARCUS FOSTER, Superintendent of Oakland Schools, for which LITTLE and REMIRO were charged.

[redacted] then contacted the Concord District Attorney's Office, Concord, California, where he talked with a Mr. WALKER, Chief Deputy District Attorney, assigned to the LITTLE and REMIRO case. WALKER advised [redacted] that he had no comment by stating, "We don't want to do anything to necessitate a change of venue."

[redacted] then contacted TIM FINLEY, a reporter for the "San Francisco Chronicle" newspaper, because FINLEY had done extensive investigation and reporting on the SLA. [redacted] advised that he and FINLEY exchanged theories and speculations on the SLA. FINLEY suggested that [redacted] look into the Philadelphia Crime Commission and the "Philadelphia Inquirer" newspaper for January, 1970. FINLEY and [redacted] discussed REMIRO's involvement in the drug rehabilitation center in New Jersey while REMIRO was in the armed forces. This was during 1969-70. FINELEY advised [redacted] that RAY SPARKS, another SLA member, was in New Jersey at the time REMIRO was. However, [redacted] advised that his investigation determined that SPARKS had been in prison in California since 1966. [redacted] advised that FINLEY's theory was that the SLA was in fact the Black Mafia. [redacted] felt that FINLEY was on to something, and that he would approach his investigation from the Black Mafia angle. [redacted] advised that black individuals reported as members of the Black Mafia were reported by the "Philadelphia Inquirer" as indicated by the grand jury.

[redacted] began doing background investigation on REMIRO, LITTLE, and HARRY LING, but developed no startling information that had not already been printed. [redacted] advised that neither of the three individuals fitted the revolutionary violence pattern. LITTLE and LING were on dope. FINLEY advised MYLERS that the day before the MARCUS FOSTER killing, REMIRO installed a smog device on LING's car.

[redacted] then checked University of California, Berkeley, records to determine LING's dates of attendance at UCS.

[redacted] then talked to [redacted]

[redacted] then talked to Professor [redacted] who apologized concerning his activities at the party.

PATRICIA CAMPBELL HEARST was kidnaped at this time.

[redacted] telephoned Bill FINLEY, "San Francisco Chronicle", a win, and they exchanged speculations on the HEARST kidnaping.

[redacted] then went to talk to [redacted] again and asked about [redacted] and how she could be reached. [redacted] advised [redacted] not want to talk about [redacted] [redacted] said [redacted] was in trouble, but would not elaborate. [redacted] advised [redacted] to talk to that [redacted] pick about

[redacted] stated he went back to talk to [redacted] [redacted] said [redacted] is in the SIA and is a friend of [redacted] [redacted] then [redacted] he in on the kidnaping." [redacted] asked [redacted] how he knows so much, and [redacted] advised, "I have brothers who talk to me."

[redacted] then contacted [redacted] again during the course of the conversation, provided [redacted] with a new telephone number for [redacted] [redacted] advised he recalls that the number was 849- [redacted], or some other four digit sequence with a seven in it.

[redacted] called the telephone number provided by [redacted] [redacted] was answered, who [redacted] advised sounded black. [redacted] said [redacted] The black male said, "Just a minute."

A female answered saying, "Hello," and [redacted] said, "I'm a reporter for the 'Daily Californian' newspaper (not giving his name) at UCR." The female said, "Why should I talk to you." [redacted] stated "I'm a friend of [redacted] and LING's. The information you give me I'll keep your name out of." [redacted] at this point began asking [redacted] questions, which are set out verbatim below.

Are you in trouble?

No son, we're all taken care of.

Are you part of SLA?

I'm part of the United Symbionese Federated Forces.

What do you look like?

I'm about 5'8", I have blue eyes, blond hair. I weigh about 160 pounds.

(laughing) You don't have to tell me that.

(laughs)

She's talking about a chick who looked like that.

I was there when they ripped her off.

What do you mean?

I was there when they kidnaped that HEARST girl.

Can you tell me about the United Symbionese Federated Forces?

I want to help the people, the brothers, keep them happy.

[redacted] stated that [redacted] not somewhat garbled or rhetoric at this point.

Is there dope involved in the SLA?

How did you know about that?

A lot of people know about that. They are starting to kick that around.

That's how we get our bread.

Can you explain it?

we get our dope from back east. All kinds of dope. We approached the Black Panther Party to help us distribute the dope out here (west). They turned us down and told us to stay out of Oakland.

Do you know anything about the Black Mafia? Is there any connection?

(Silence)

Do you know anything about the Black Mafia? Is there any connection?

Do you know about that?

What people are talking about that. Is it true?

Our office is not part of it isn't.

Can you explain that?

It's how we make our money. They help get it for us, and we do all the rest.

Do you know REMIRO?

He is one of us. He is helping us.

What REMIRO's connection back there in Philadelphia or New Jersey?

I don't know.

Is There anything you can tell me about the Black Mafia out here?

No, not really.

You told me this much, why can't you tell me more?

I talk to you when I want to talk!

Calm down, I'm just asking questions.

[redacted] advised that at this point, he tried to calm [redacted] down by trying to get her to talk about herself.

What do you do?

I'm in the Federation. I don't like the army (SLA). They're not part of us. We try to help the people -- Give them what they want.

Is DE FREEZE any part of it (SLA)?

Yeah, he is a brother. He is leading. He wanted to use it. He wants to make it political and help the people. He sounds good but he is not with the rest of us. He wants to make us into something we're not.

At this point, [REDACTED] starts discussing the differences between the federation and the army and the fact that DE FREEZE is a leader for only a small portion of the total group. [REDACTED] advised that his impression of [REDACTED] comments concerning DE FREEZE was that DE FREEZE wanted to control the whole group, but at this point was only able to control the SLA.

Was he (DE FREEZE) part of the kidnapping?

I don't know. I want to tell you something.

Sure, go ahead.

The SLA isn't really part of the federation. They are more political. They are getting into things we don't want to get into.

Like what?

You'll see!

[REDACTED] advised that there was noise in the background location at this point in the conversation, said:

I've got to get going.

I have a couple more questions.

Anything special?

5: Just some more questions.

6: I gotta go. (At this point, she hung up.)

[redacted] advised that his phone conversation with [redacted] took place on February 11, 1974, around 6:30 PM, and lasted for ten to twelve minutes.

[redacted] advised that his investigation was at somewhat of a standstill at this point.

[redacted] advised on February 13, 1974, at approximately 4:30 or 5:45 AM: he left his apartment en route to his journalism class at UCR carrying his journalism notebook. As he left the front of his apartment building, he noticed two black males leaning against a wall at the veterinary hospital which is across (south) from his apartment building. [redacted] walked east on Haste Street for approximately thirty yards, when he was approached from the rear by the same two black males, who evidently had crossed the street and come up from behind him.

The conversation between [redacted] and the two blacks is set out below:

[redacted]
Black Male #1 (#1):
Black Male #2 (#2):

#1: Hey you [redacted]

#2: Yeah.

#1: We're brothers from the SLA.

#2: Oh yeah!

#1: Did you talk to [redacted]

#2: Yeah.

#1: You shouldn't have done that.

#2: Why not?

#1: That's just a bad thing to do.

[redacted] advised that the blacks were approximately three or four feet away at this point. #1 walked up and put his left hand on [redacted] right arm. [redacted] tried to back away and #1 tightened his grip.

#1: You been talking about the SLA?

[redacted]: I've been doing some work on it.

#1: You know about the dope?

[redacted]: I know a little bit.

#1: You had better forget it.

[redacted]: Why?

#1: We don't want you to talk about it. (tightens grip)
If you talk about it, we'll find you and get you.

At this point, #2 reached around behind [redacted] and grabbed his journalism notebook and looked through it page by page. Ripped out one page which contained [redacted] notes from [redacted] phone conversation, and miscellaneous scribblings.

#1: We'll keep this (referring to ripped out page).

#2 then handed the notebook back to [redacted]

[redacted] described the two black males as follows:

[redacted] advised that the two blacks departed west towards Shattuck Avenue and crossed Haste Street to pass in front of the Veterinary Hospital. As they departed, black #1 said to [redacted] "You better shut up or we will get you." [redacted] watched as the blacks turned the corner on Shattuck Avenue towards Oakland.

[redacted] advised that he continued to school after being arrested by the blacks. He stopped on the way and bought a cup of coffee. [redacted] advised that after he arrived at school he attended his Journalism class, but told no one about the incident with the blacks until a couple of days later when he told [redacted] the "Daily Californian" newspaper at the University of California at Berkeley (UCB).

[redacted] advised he told no one else until he received a letter on February 20, 1974, which threatened his life.

[redacted] advised that the letter was addressed to him at his apartment and was picked up from the mail box by one of his roommates [redacted] who delivered it to [redacted]

[redacted] advised that in addition to himself, his roommates - [redacted] and [redacted] his girlfriend - [redacted] two classmates [redacted] and [redacted] his Journalism Professor - [redacted] Officer [redacted] and [redacted] of the Berkeley Police Department (BPD), had read and handled the letter.

[redacted] advised that no other people knew about the letter. He advised he quit any and all investigation concerning the Symbionase Liberation Army (SLA) and HEARST kidnaping after he received the letter.

[redacted] described the letter as a copy of the SLA Communiqué #3, which concerned prisoner or war PATRICIA CAMPBELL HEARST dated February 4, 1974, clipped from the "San Francisco Chronicle" newspaper. [redacted] advised the

[redacted] Street, Apartment 203, Berkeley, California, was advised of the identity of the interviewing agent. He was advised that he was being re-interviewed concerning any additional information he may have concerning the Symbionese Liberation Army (SLA) or the HEARST kidnaping. [redacted] provided the following information:

[redacted] was at the University of California at Berkeley (UCB) campus coffee shop, which he thinks is called the Terrace, located next to the student lounge, when he overheard a conversation between an Asian female and a white male concerning HARRY LING's cabin. [redacted] stated this conversation occurred on the same day that he initially contacted the Berkeley Police Department with information concerning the HEARST kidnaping.

[redacted] stated that the Asian female was telling the white male about her friendship with LING when LING was a student at UCB. [redacted] overheard the Asian female say that she and LING often went to LING's cabin. The white male asked where LING's cabin was and [redacted] overheard the Asian female give the following directions:

"Take frontage road which is on the west side of the Coldecott Tunnel to Westmoreland Drive until it dead ends. Then walk fifty yards to the right where you should pick up a foot trail for one half mile until you come to four cabins. LING's cabin is the third cabin."

The Asian female said there are always a bunch of people around some of the cabins.

[redacted] advised that he wrote these directions down in his notebook. [redacted] advised that he had never been to or tried to locate the cabin, but had provided the information to the Berkeley Police Department, which they obviously misinterpreted and thought that he had been there.

[redacted] described the Asian female who was sitting down at the table next to him as approximately 22 - 23 years of age, black hair, three inches below shoulders. [redacted] described the white male as 22 - 23 years of age, dark curly hair, two inch beard and mustache, wearing a CPD coat, yellow and green in color.

[redacted] advised that he had no particular impression of [redacted] a reporter for the "San Francisco Chronicle". [redacted] had talked to about the SLA and [redacted] did feel that [redacted] was providing him a telephone number for [redacted] was getting him to do all of her legwork as a reporter. [REDACTED] was contacted at his residence, East Palo Alto, California, by Special Agents of the Federal Bureau of Investigation (FBI). After being advised of the identities of the interviewing Agents, [REDACTED] was advised that he was to be interviewed concerning his possible knowledge of and association with the Republic of New Africa (RNA) and Swaziland Liberation Army (SLA) organizations.

[REDACTED] appeared to be reluctant to discuss his association with the RNA as he would not furnish any information about the number of persons involved with the RNA at Vacaville State Prison nor would he discuss the names of any of those RNA associates at Vacaville or the philosophy and objectives of the RNA. He stated that the FBI must have read the RNA literature and therefore the FBI should already know the objectives and philosophy of the RNA.

[REDACTED] did acknowledge that he had joined the RNA at Vacaville stating words to the effect that when a person is poor and in prison that person will attempt to seek help from anyone he thinks will help him. [REDACTED] declined to comment as to how he had been recruited into the RNA. He stated that he would again join the RNA if that were possible as he agrees with some RNA objectives. [REDACTED], however, said that he has not been affiliated with the RNA since he was paroled from prison two years ago.

[REDACTED] acknowledged that he had formerly held the position or title of [REDACTED] the RNA Chapter at Vacaville, but he again refused to name any other RNA member or associate that he might have known there. [REDACTED] said that he does not plan to become involved in violent activities or associate with the SLA or any other violence-oriented group as he does not want to return to prison.

[REDACTED] further acknowledged that he had known DONALD DAVID DE FREEZE while both were incarcerated at Vacaville. [REDACTED] stated that he thought DE FREEZE was still in prison and [REDACTED] expressed surprise in learning that DE FREEZE had escaped from prison. [REDACTED] advised that he has had no contact with DE FREEZE since he, [REDACTED], was paroled and he knows nothing concerning DE FREEZE that would assist the FBI in locating DE FREEZE. He declined to furnish any names of individuals who might be associated with DE FREEZE. [REDACTED] stated that DE FREEZE is known as "CINQUE", but [REDACTED] said that three or four other prison inmates at Vacaville had also used that name. [REDACTED] also acknowledged having heard the SLA tape recording which contained the voice of an individual identified as "CINQUE", who is involved in the SLA kidnaping of PATRICIA HEARST. [REDACTED] said that he does not know if the voice on the tape is identical to that of DE FREEZE as it has been nearly two years since [REDACTED] spoke with DE FREEZE at Vacaville. [REDACTED] denied any knowledge concerning the SLA and the kidnaping of PATRICIA HEARST. He stated that he had first learned of the organization known as the SLA as well as the kidnaping of PATRICIA HEARST in reports from the news media. He further denied that he had ever recruited members for the SLA.

[REDACTED] stated that he had formerly worked for the Black Cultural Association (BCA) in Berkeley, California, upon his release from prison two years ago. He advised that nearly every black prison inmate in California has become affiliated with the BCA as this organization offers black inmates one of the few places where they can go to relax and enjoy themselves without fear of being stabbed or attacked.

[REDACTED] advised that he was "shooting" drugs at the time he entered prison approximately four years ago and after serving a two year sentence he had worked for the East Palo Alto, California, Drug Abuse Center, which has closed down due to a lack of financial support.

[REDACTED] stated that he is presently unemployed and on vacation although he teaches reading and English to poorly educated black people at the Nairobi College in East Palo Alto, California. He plans to continue his education as he believes

there are many black people who have gone through school without learning to read and he believes that he can do something to help them improve their reading skills. He stated he is also studying martial arts specializing in karate or Taekwon-do.

[REDACTED] further indicated that his future plans include buying a house with some money that he has in the bank and to get married in August, 1974.

[REDACTED] was shown photographs of the following individuals whom he stated were unknown to him both by name and photograph:

[REDACTED] stated it was his own belief that the 11 individuals involved in the SLA and none of the people in the San Francisco Bay Area were in any way or would have anything to do with them. [REDACTED] also known as [REDACTED] California State Prison (CSP) Number [REDACTED] acknowledged that he wrote to the Federal Bureau of Investigation (FBI) on February 25, 1974, inasmuch as he had been informed by a Department of Corrections official that he was under investigation as a member of the Symbionese Liberation Army (SLA). He stated this had troubled him a great deal since it was not true and he wanted to clear the matter up.

[REDACTED] informed that he was [REDACTED] Black Cultural Association (BCA) at California Medical Facility (CMF), Stockville.

[REDACTED] He stated that during [REDACTED] outside elements were able to divert the direction of the BCA into thinking along their ideologies of socialism, revolution, etcetera. He stated he opposed this type of thinking and was able to prevent this from happening while he was [REDACTED]

Some of the worst agitators from the outside who attempted to exert their thinking and philosophy on the black inmates were RUSSELL LITTLE, DAVID GUNNELL, JEAN CHAN, ROBERT STRIDER, WILLIAM WOLFE; [REDACTED]

These people attended the BCA meetings at CMF, Stockville, on Wednesday and Friday nights. They almost always singled out a certain group of blacks and engaged them in discussion on class struggles, revolutionary teachings, revolutionary action, socialism, etcetera. Among the inmates involved with this particular group were [REDACTED] DONALD DE FREEZE, [REDACTED]

[REDACTED] These inmates would always gather with the aforementioned individuals and discuss their revolutionary ideas. They would change the conversation when he came around because they knew he disagreed with them and he would have taken action to prevent them from decaying the real principle of the BCA.

[REDACTED] informed that he has watched a lot of television news programs concerning the HEARST kidnaping and the kidnaping tapes played. He stated that one individual on the tape, who identifies himself as Field Marshal [REDACTED] of the SIA, is definitely the voice of DONALD DE FREEZE.

[REDACTED]

[REDACTED] stated he knows nothing about the SLA other than what he has heard on television. He has no personal knowledge that the SLA was formulated out of the BCA organization in Macaville, California, but stated that a lot of the same people seem to be involved in both, so he reasons that there must have been some connection.

He stated that he has formed many personal opinions about the SLA. He feels that [REDACTED] and DE FREEZE are on a super-hero trip, but are now in deeper than they wanted to be. He is sure that both want out now but do not know how to get out.

[REDACTED] stated that both DE FREEZE and [REDACTED] are cowardly men. He stated in his opinion, neither would be capable of killing PATRICIA HEARST. He feels their ultimate "move" will be to flee the country for asylum in some foreign country. He stated further that if [REDACTED] and DE FREEZE are involved, they would be receiving their financial support from

[REDACTED]

[REDACTED] opinion, these two girls would be in contact with the SLA.

[REDACTED]

[REDACTED] informed that another possible link to the SLA would be a prison inmate by the name of "Death Row Jeff". This man was at CMF but is probably in Folsom at present. He is an older black inmate who exerted a great deal of influence over the young black revolutionaries within the prison system. He would not elaborate but stated he has heard through prison channels that "Death Row Jeff" may have some contact with the SLA.

[REDACTED] claimed to have no other information relative to the SLA or the kidnaping, but stated he would cooperate in any way he could because he feels the kidnaping of PATRICIA HEARST has set the black cause back considerably.

[REDACTED] Negro male born [REDACTED] was interviewed in the presence of his attorney, [REDACTED] and associate attorney, [REDACTED] Oakland, California. Also present were ALEX SELVIN, Alameda County District Attorney's Office, Oakland, California, and Sergeant [REDACTED] Homicide Division, Oakland, California, Police Department.

At the outset of the interview, [REDACTED] requested that he and his client, [REDACTED], be advised of the scope of the information sought. Special Agent [REDACTED] informed him that this interview would be designed to develop information relative to the investigation of the kidnaping of PATRICIA CAMPBELL HEARST and the Symbionese Liberation Army (SLA) which has transmitted communiques and tape recordings relative to the kidnaping. [REDACTED] indicated that this was agreeable to them and that they would strive to cooperate fully.

After listening carefully to the March 10, 1974, SLA tape recording, [REDACTED] commented that voice number one of a female identifying herself as "CENINA" is not identical to [REDACTED] (JEAN WAI CHAN), "MIRACON" (PATRICIA MICHELLE SOLTYSIK) or NAUCH LING PERRY.

The male voice reminded [REDACTED] of "CINQUE" (DONALD DANIEL DE FREDZE) and he is 85 percent sure that it is "CINQUE's" voice.

The second and third female voices are not familiar to him.

The voice of the fourth female sounds like that of "MIRACON", but [REDACTED] could only be 50 percent sure of this identification because of the heavy accent used by the speaker.

WESTBROOK advised that on March 4, 1974, he held a press conference on the University of California at Berkeley campus. The purpose of this conference was to attempt to communicate with DONALD DE FREEZE "on his level". WESTBROOK furnished a copy of his press release, which is attached. He advised he has not received any response to his press release although he feels he will. Cinque,

You sure did come down hard on ma man in that last tape.

...did you ever do it. In fact, I really felt sorry

...the ent. Yea, the communication gap is just too great. No

...white man is going to know how to talk to a nigga, especial

...a pure nigga. But, maybe a bousie nigga and a pure nigga can rea

...B.L.

I had a feeling that sooner or later you would be free,

...never I heard that you were on the lam--I was not suprised

But when asked if I wanted to help--well, I am sure that you got

my reply. What other reply could I give to a brother who needs

help--yet does not trust me? I could have snitched, but I am

not a snitcher. Neither are you. And believe it or not, I am

not a f---. Can you dig it brother?

Dig it Cin, I think that I can understand your Symbionese

thing and know that you will not harm Patty unless the man makes

...move. They don't know you as I know you, but as you said

they know you. Obviously, however, the Police, the feds, and

the news media are greenhorns when it comes to using and under-

standing Black Communications. Yea, what do they know about

...partee in the black culture? What do they know about black

prisoner psychological rhetoric? What do they know about black

speech techniques such as "puttin' a dude down?" But, they have

tried other things such as trying to goat you into makin' some

stupid telephone call. Well, they got the public's sympathy,

but once again they underestimated your intelligence.

...atty? I know that this question must be a little
...er here, but I hope that she takes out a little time
to think about her studies at CAL. Did you tell her about your
UNISIGHT thing? Yea, do you remember the night when you asked
me if you could have some time on my program so that you could
do your UNISIGHT thing? I gave it to you. The brothers didn't
want to give you the time, but I did.

Went up to Vacaville on Thursday to brief the Super about
this new thing I am doing. I really like him because he will
listen to talk to anyone if it is important enough. Tried
to get some of the inline gossip; he ain't saying nothing
yet. I did hear the cats crackin' jokes such as: the guerrillas
got a gorilla with them. I don't think TW looks that bad. He
letters a bit and has reading problems, but I surely don't
think he looks like a gorilla. Does he still like to smoke the
same kind of cigars that you like? Say, did this: I got a mug
shot of him with Russ and me in it? Wow, dynamite, huh. Sorry,

I didn't mean to say that word; don't want to trigger anything.

Regarding your "good faith" demands of providing food for
poor people, I thought that it was a brilliant move on behalf of
your leader; he anticipated the anticipated. Personally, I
think that something must be done about the welfare situation
not only in the State of California but in the entire United
States. Not bad thinking for a houseie, humuhhhh? So, maybe
the pressure being exerted on the Hearst zaibatsu will make the
public aware of poor peoples' needs. Undoubtedly you heard some
of the psychological games being played about people not accept-
ing the food. But let me tell you sumpin' bro, many of the
affairs are hungry. And the most severe PHH situations are the

as and recently-released prisoners.

I do not agree with what you are doing, but I do understand it. I am somewhat surprised, however, that your friends did not direct any attention to the fact that black prisoners seem to serve more time than any other prisoners. And don't you know that because of this SLA thing that the BCA has been suspended? And don't you know that a lot of brothers got denied because of your SLA trip? Yea, I know, they most likely would have gotten denied anyways. But, why add fuel to the fire?

Bro Sin, I am not making a plea; I just want to talk to you brother-to-brother, nigga-to-nigga. Can I help, and if so--how? It is not necessary to talk to me directly--unless you want to. I suggest that messages be relayed to me through anyone of the following people: Mge, Yohana Kwasi, Mawuru, Mpata, Ishola, Kpagani, Mohawi, Mwezo, or--The Chui. As you know, they are still down, and all of them know Ramee or Kale-na-Kala. If that route is difficult to use, I still maintain limited contact with Dhati, C.X, and Flim-Flam at "Q". And yea, Kinyo Ekechukwu is there too. And aside from those people, maybe one of the brothers "down home" such as Oba Rahali, Ishmael, William Kikanza or Nyoka will help out. But, maybe you will want to communicate via a brother who has risen.

Well, I am getting hungry now. My main squeeze is going to eat some ribs with beans and rice, but I sure do wish that I had some "kimchoe" to go with it.

Later,

Big Daddy aka Yajuma

Bro Sin, I dig your Field Marshall rank; too bad you couldn't be a Messiah.

Agents identified themselves by use of official credentials and [redacted] stated that she was appearing voluntarily. [redacted] was advised that her name had come to the attention of the FBI in the investigation of this case. She stated that she would not answer questions upon the advice of her attorney, [redacted] (phonetic), from Palo Alto, California, however, she would be willing to write down any questions asked and refer them to her attorney for resolution. [redacted] did furnish the following information before she was given specific questions to ask her attorney:

William Taylor Harris, B. Jan 22, 1915 - 1968

Ind First, [redacted] stated that she has no information whatsoever about the kidnaping of PATRICIA HEARST except that which she read in the newspapers. [redacted] related that she would not answer any questions regarding her past activities or background but stated that she would be willing to answer any questions pertaining to the kidnaping if her attorney advised her to answer these questions. [redacted] was then asked the following questions:

(1) Have you ever heard of or seen anyone who resembles WILLIAM and EMILY HARRIS or anyone resembling their photographs?

(2) Have you had any contact of any kind by telephone, mail courier or any other means of communication with persons using the name of WILLIAM and EMILY HARRIS?

(9) Have you received any unusual or indefinable telephone calls or messages subsequent to the kidnaping?

At this point [redacted] stated that she believes the kidnaping of PATRICIA HEARST was a stupid and unacceptable act under any circumstance. She stated she could in no way agree with an act of kidnaping for any reason. When asked if she had ever lost any identification, [redacted] stated that she had her billfold stolen on approximately October 4, 1973. She stated she was having lunch at Sam's Giant Burger on University Avenue, Berkeley, across from the Co-Op Bank where she is employed. hired by the Great Electric Underground Restaurant around the latter part of 1971. At this time ATWOOD was apolitical and a pleasure to associate with. Gradually, however, ATWOOD's political awareness became greater and she became intolerant of any opinions that differed from her own.

[REDACTED]

When asked to clarify what she meant by ATWOOD's "political awareness", [REDACTED] replied that the letter [REDACTED] ATWOOD and KATHY SOLIAN submitted to the restaurant and the restaurant's employees at the time ATWOOD and SOLIAN were there fairly well summarizes ATWOOD's political convictions. Specifically, ATWOOD's anti-establishment attitudes and her obsession with the plight of so-called oppressed people. During [REDACTED] association with ATWOOD, ATWOOD had never expressed an interest in violence or revolution nor had she ever mentioned the Symbionese Liberation Army (SLA), the Venceremos Organization (VO), or any similar group.

ATWOOD could see no one's point of view other than her own. This lack of tolerance by ATWOOD, ATWOOD's attitude toward the restaurant's management, and the fact that she always treating every minor vexation as a crisis led to the conclusion that the less she had to do the better.

neither his remarks nor ANGELA's responses gave any indication that ANGELA was involved in or in sympathy with extremist or terrorist activities.

[REDACTED] the ATWOODS' [REDACTED] residence, [REDACTED] had not observed any books, papers, or pamphlets which might be termed radical or extremist literature; nor had [REDACTED] seen any firearms inside the home. ANGELA ATWOOD had never mentioned purchasing or owning a firearm. [REDACTED] ANGELA [REDACTED] had expressed [REDACTED] conditions should not be allowed to own firearms.

During the summer of 1973, ANGELA ATWOOD had taken [REDACTED] back to Indiana where he was planning to go to school. [REDACTED] had no information as to the status of the marital relationship between ANGELA and GARY, but [REDACTED] had the impression that GARY's return to Indiana may have been more than a temporary and necessary separation.

When asked if ANGELA ATWOOD had taken a boyfriend after [REDACTED] returned to Indiana, [REDACTED] responded that she did not know. She did recall that after work one Friday night that ANGELA had been picked up by a fellow whom [REDACTED] described as "hippyish", by which [REDACTED] meant that he had a lot of hair and possibly a beard. [REDACTED] stated that she had not talked with this individual [REDACTED] and that at the time she had briefly seen this individual, he was slumped over in a chair in a darkened portion of the restaurant. [REDACTED] stated that this individual was a Caucasian, but stated that he might possibly have been a light-complexed Negro. She was unable to provide any information regarding this individual and did not know whether he and ANGELA were living together.

When asked to provide what information she could concerning ANGELA ATWOOD's activities and interests, [redacted] advised that about a year ago last fall she and ANGELA had enrolled in an extension course in literature at the University of California at Berkeley. [redacted] was unable to recall the title of the course, the instructor's name, or the names of other individuals enrolled in the course, however because she had only attended for one week and then had quit. [redacted] also recalled that ANGELA ATWOOD had been involved in theater work and about a year ago last Christmas had appeared with KATHY SOLIAH in a play entitled "HEDDA GABLER" which was presented on the Berkeley campus, possibly under the auspices of the Berkeley Community Theater. SOLIAH had the starring role in this production and ATWOOD had performed a bit part. [redacted] advised that ANGELA ATWOOD was "hung up" on her cats, liked movies, and enjoyed small craftwork such as window pane painting.

[redacted] stated that ANGELA ATWOOD was subject to "highs" and "lows", that is, periods of extreme depression and periods of sheer elation. As far as [redacted] knew, ATWOOD was not on drugs although [redacted] suspected ATWOOD may have smoked marijuana. [redacted] attributed ATWOOD's alternate periods of depression and elation to ATWOOD's vivacity and zest and [redacted] did not believe that these emotional extremes were caused by drugs or indicated mental imbalance.

Regarding ANGELA ATWOOD's background and relationship with her family, [redacted] advised that ANGELA had indicated that she had been a cheerleader in high school and came from an upper middle-class background. ANGELA's mother had died when ANGELA was fifteen. ANGELA had not expressed any animosity toward her father, but [redacted] was given the impression that if ANGELA thought about her father at all it was in terms of her father being financially able to provide for her. ANGELA was very fond of a younger brother she had and also had a married sister. [redacted] recalled that ANGELA had once referred to this sister as the "typical father's daughter". ANGELA had made this remark in a matter-of-fact voice which did not indicate any jealousy or animosity.

[REDACTED] attributed ANGELA ATWOOD's wearing of men's clothing such as overalls and combat boots to ATWOOD's desire for attention and a desire to deny her femininity. [REDACTED] however, did not believe that ATWOOD was a lesbian or bisexual. Rather, ATWOOD's clothing was an attempt to show her contempt for conventional standards.

[REDACTED] has not been in contact with ATWOOD, nor has she been contacted by anyone on ATWOOD's behalf since that time. [REDACTED] advised that she did not have any information as to ATWOOD's whereabouts nor does she have any idea as to where ATWOOD may have gone or from whom ANGELA would seek aid.

The file contained a letter dated January 24, 1974

San Francisco, California

In this letter [REDACTED] advised that she was returning a severance form to OC at the request of EMILY. The letter was postmarked January 23, 1974.

The file further showed that a registered letter was sent to [REDACTED] at the above address, and it was returned marked no such address.

The file contained a letter from Miss HARRIS' supervisor, setting out that a registered letter, return receipt requested, was sent to Miss HARRIS at 434 41st Street, Apartment 3, Oakland, California on January 28, 1974, and it was returned as not at that address.

The letter stated that the landlord had requested that the post office hold her mail.

The file contained a memo from [REDACTED] dated January 17, 1974, setting out that this employee, [REDACTED] had received a telephone call from HARRIS at 2:30 p.m. on January 16, 1974. In this call she advised that her mother was very ill and that she and her husband had left immediately to go to her parents' home at 419 County Line Road, Champaign, Illinois. She furnished her father's name as FREDERICK SCHWARTZ, she requested that her check be sent to the home of her husband's parents at 313 Woodland Lane, Carmel, Indiana, and gave her parents' phone number as 892-4410.

The file reflected that HARRIS had telephonically called from Champaign, Illinois, giving an address and phone number. In attempts to contact her back at the address determined that this address does not exist, and when she was attempted to be contacted by telephone a person answered saying they never heard of HARRIS or her relatives.

Attached hereto are letters contained in the above file, one dated January 28, 1974 at 10:00 a.m., and a copy of a draft from [REDACTED]

Monday, January 28, 1974
10:00 A.M.

I received a call from [redacted] She said that she had received a telephone call from Emily on Friday night requesting that the [redacted] sell everything. She said that Bill's father had died and that he was the only one who could take care of his mother and brothers and sisters and that he and Emily would not be returning. The call was made from a pay phone and [redacted]'s description of the voice was that Emily sounded breathless and distrustful, just as she did when she called Evelyn on the 16th. Mrs. [redacted] told Emily that [redacted] had been in touch with me and that our understanding was that her mother was terminally ill with cancer. Emily responded to that by saying, "No, it was Bill's father." [redacted] asked for an address and Emily gave her the [redacted] Woodland Lane, Carmel, Indiana address. [redacted] then told her that I had called at that address and that Mrs. Bonnell, who answered the phone, and is Bill's mother, said she didn't know that Emily and Bill were anywhere but in Oakland. (Incidentally, it was on Friday that I spoke to Mrs. Bonnell). Emily's reply to that was, well, she didn't know. [redacted] asked for the area code for the Carmel telephone number and Emily said not to call her there, that she, Emily, would get in touch herself.

[redacted] said that she and her husband went through the apartment and that there are many "good" things as well as all their personal papers. There were some tapes, one of which was on the tape recorder. They listened to it and it was apparently a "Tape letter" from "their parents", nothing of any significance. She did say that the parents' communications came from Florida, Chicago, and Carmel.

[redacted] was extremely upset and said that they now feel that Emily is running. I asked her if they had re-contacted the police. She explained that the police had told them last week that if they didn't hear from Emily by the end of the month (when the rent was due) then they should call again. So she took them literally and has not called the police a second time. However, she has had the Post Office hold all Emily's mail, so our letters probably will not get to the Oakland address at all.

She also mentioned that, apparently, Emily and Bill had others living with them in the Oakland apartment, that there was a great deal of stuff in the "other room", like "someone with a very small apartment had moved in with them". She said that periodically Emily and Bill did have others living there and that [redacted] didn't mind, that they simply rented to Bill and Emily and that what they did inside their own place was their concern.

[redacted] said she was preparing a letter to be sent to Emily requesting permission to sell their things, or store them for a limited period of time. It was to be sent to the Carmel address. I told her that it should be certified with a return receipt requested as, from our experience, the letter couldn't be delivered.

The conversation closed with the agreement that we would keep in touch.

DRAFT

On Wednesday, January 16, you called Evelyn from Champaign, Illinois, to advise us that a serious illness in the family had compelled you and your husband to leave abruptly with no time to notify the Survey Research Center of your circumstances. Since two and one half working days had already passed by then, we were already in the process of trying to locate you.

You gave us two addresses, one at 419 County Line Road, Champaign, Illinois, with the name Frederick Schwartz, and a telephone number, 802-4410, and the second one at 213 Woodland Lane, Carmel, Indiana; you requested that your package be sent to the second address.

You also stated that, since you intended to remain in Illinois for an indefinite period of time, you felt that you should resign from your position here at the Center. We then contacted Personnel to advise them of the situation and to ask assistance in properly handling this matter; one thing that greatly concerned us was that we could not recruit for even a temporary replacement until we had your signature on either a letter of termination or the University Separation form itself. We therefore sent a collection of documents (see attached) to both addresses you had given us. These were mailed to you on Friday, January 18.

Yesterday we received a Disposition of Accumulations form, signed by you, from [redacted]. We cannot process this form without a formal termination from you; however, I will keep your signed form in your folder until we can get all the red tape straightened out.

Today we received back from Champaign, Illinois, the letter we sent on January 13, with the stamped indication that the addressee was unknown, and that there was no such street. We have not, as yet, had any feedback from Carmel. I have been advised by Personnel that this certified letter be sent on to you, with a return receipt requested. The situation is that, in the event that an employee has not given notice within seven calendar days, the department may notify the employee that they are considered to have quit without notice. The fact that we have been unable to contact you through the address you have given us places you in this category.

In the case where the department places an employee on this status, we advise you that a request for reinstatement can be made by you within 15 calendar days, with a good explanation of the reasons for loss of contact.

Since a voluntary termination is far more advantageous on your employment record than a "quit-without-notice", we are doubly anxious that you respond as quickly as possible. I am enclosing all documents with this letter that were previously sent to you on January 18. If, by some chance, our letters cross in the mail, no response to this letter will be necessary.

Hoping to hear from you soon.

A search of Indiana Bureau of Motor Vehicles (BMV) records through the Indiana Data and Communications System yielded the following information:

A search of records on February 14, 1974, determined EMILY MONTAGUE HARRIS, white female, date of birth February 11, 1947, place of birth Baltimore, Maryland, 5'3", 108 pounds, blonde hair, blue eyes, Social Security Account Number 327-42-2352, had surrendered her Indiana driver's license in California on February 1, 1973. There was no derogatory information concerning her driver's record.

On the same date, a search determined that WILLIAM RAYMOND LERIS, a white male, date of birth June 22, 1945, at [REDACTED] Oklahoma, 5'7", 145 pounds, Social Security Account Number 315-46-2467, surrendered his Indiana driver's license in California on November 17, 1967. He was reissued an Indiana chauffeur's license in 1968, which was suspended August 11, 1970, for failure to appear on a traffic charge. On August 18, 1972, he surrendered his license in Rhode Island and the license is currently in a suspended state and expired. WILLIAM and EMILY HARRIS have two 1973 Indiana disabled veteran license plates with numbers 1272 and 1288. Both licenses are registered to a black 1972 Chevrolet, hard top, Vehicle Identification Number 77B2U329155.

A search made on February 15, 1974, determined that GARY DEAN [REDACTED], a white male, date of birth November 19, 1949, [REDACTED] brown hair, 5'9", 145 pounds, [REDACTED], surrendered his Indiana driver's license in California on August 21, 1973. No derogatory information is contained in the file.

A search of the records on the same date failed to develop any information concerning ANGELA ATWOOD and no vehicles are registered to either GARY DEAN or ANGELA ATWOOD in the State of Indiana.

[REDACTED], Bloomington, Indiana, advised that she was acquainted with EMILY HARRIS, nee SCHWARTZ. She stated that HARRIS was an English and French teacher at Benford Middle School during the 1971-72 academic year. HARRIS filled the position during the Summer of 1971, at that time using the name SCHWARTZ. She indicated she would be married by the Fall of 1971 and, therefore, records were placed in her married name of HARRIS. HARRIS, however, was not married when she began teaching at Benford Middle School and did not get married during the school year. [REDACTED] indicated that HARRIS was the type of person who appeared very liberal, at least in her teaching methods. HARRIS had great difficulty with control and handling of students. Beliefs of HARRIS in handling students differed with that of the administration and she had no desire to change her method. As a result, she had numerous problems in controlling her class and essentially refused to discipline any of her students. Despite the fact that this was HARRIS' first year of teaching, she was very critical of how the school operated. HARRIS seemed to be unable to accept structure herself from the administration and did not desire any structure for her students.

[REDACTED] advised that HARRIS related more to the university community in Bloomington, Indiana, than she did with individuals at Benford Middle School. HARRIS taught both English and French while at Benford and included in her lessons poems and literature from contemporary people, some of which were very anti-establishment. HARRIS also did her student teaching at Benford Middle School in French in the summer of 1971. [REDACTED] advised that [REDACTED] was not employed, however, [REDACTED]

According to [REDACTED] HARRIS was an attractive individual who usually appeared in neat clothing, but she wore the dress codes which were established at the junior high school. BILL HARRIS, husband of EMILY HARRIS, frequently visited the school and EMILY's classes. BILL HARRIS was an exact opposite of EMILY in that he was extremely sloppy and paid no attention

[redacted] Bloomington, Indiana, advised that he was acquainted with EMILY HARRIS. He advised that EMILY HARRIS taught at Bedford Middle School during the 1971-72 academic year. [redacted] indicated that very early in the school year it was apparent that the views of EMILY's responsibility to teaching were quite different from the expectation of an administrator, [redacted] indicated that EMILY and he had a philosophical difference in their view of teaching obligations. EMILY had developed the view that she was a passive facilitator, a reward giver and students' friend, and she did not wish to compromise this view. As a result, she could not impose her views of appropriate behavior on students and felt that over a period of time this approach would facilitate learning the best. [redacted] indicated this philosophy, however, created problems for other individuals at the school. HARRIS had very little class control and her students were disruptive and rude to teachers as well as to other students. The students were rarely corrected by the teacher. [redacted] indicated that EMILY had an unwillingness to discipline [redacted]
[redacted]

While at Bedford Middle School, EMILY initiated a recycling program which continued after her departure from the school. While [redacted] did not feel that HARRIS fit in at Bedford Middle School, he indicated that she might find a public school position in which her philosophy would fit. Although HARRIS was not forced to resign, she did resign from her position after the 1971-72 academic year. She indicated to [redacted] that they were going to do some traveling as they apparently had saved money while she was teaching. Her husband, BILL HARRIS, was a student at Indiana University and visited Bedford Middle School on numerous occasions. HARRIS indicated plans to travel which would end in California and if necessary, they would stop and work along the way. The HARRISes appeared to be in no hurry to arrive in California.

not until about the Fall of 1973 that she showed any signs
of becoming an activist in these areas. It was then that she
began to show definite personality changes. She became quite

In late December, 1973, Mrs. HARRIS had several visitors at her office, most of whom were males and included some blacks. At that time, Mrs. HARRIS and her husband WILLIAM appeared to be having marital difficulties. She complained that she was spending much of her time at home alone and that she was even at home alone on New Year's Eve. She gave no explanation as for the absences of her husband.

In latter 1973, Mrs. HARRIS told her of taking a trip to San Luis Obispo that she had stopped at Soledad Prison and kissed a black man in view of the guards just for the sake of getting their reaction. Also, Mrs. HARRIS was known to have made a telephone call to the California Medical Facility at Vacaville, California.

From June to approximately September, 1973, [REDACTED], better known as [REDACTED], a student at Alameda College, Alameda, California, and an employee of the University of California, Berkeley, California, at [REDACTED] (department not specified) was provided a place to live by Mrs. EMILY HARRIS in a room at the HARRIS home at 434-41st Street, Oakland, California. At the time Mrs. HARRIS took her in, [REDACTED] was jobless and needed a place to stay. They had become acquainted through mutual political interest. Mrs. HARRIS had taken compassion because [REDACTED] had claimed her house had been broken into by narcotics agents searching for drugs, and Mrs. HARRIS was convinced that she had been mistreated in this regard.

[REDACTED] recalled that at one time [REDACTED] asked her how to say "We shall concur" in the Phillipine language and stated that she needed this information for the preparation of a leaflet or poster.

About September, 1973, [REDACTED] moved out of the HARRIS residence and ROBIN SUE STEINER became the next roomer at the HARRIS residence.

[REDACTED] in the summer of 1972 she met IRA and KATHY, friends of EMILY MONTAGUE HARRIS and WILLIAM DAVID HARRIS. EMILY HARRIS was then employed by the Survey Research Center, Berkeley. IRA and KATHY lived together on Howe Street, Berkeley, California, for at least a month during the summer of 1972.

[REDACTED]

[REDACTED] stated that she could not now recall the employment status of IRA. When specifically asked as to whether IRA was a doctor she responded that she believed he was. She recalled that it had been mentioned by someone that IRA had been on pills and also some mention was made of medication obtained through him. She said that KATHY was employed as a bus driver for a private bus firm which provided tour service. KATHY expressed some difficulty obtaining a chauffeur's license. KATHY mentioned that she had been hassled in her efforts to obtain this license. [REDACTED] a self-defense class which was attended by [REDACTED]. [REDACTED] has not seen either of the HARRISEs since early October, 1973, and has no information as to their present whereabouts.

Except for hiking trips such as a trip to Point Reyes, California, exact location not known, the HARRISEs seldom did anything together. EMILY was deeply involved in the Women's Liberation Movement and neither showed any signs of affection for each other. They constantly argued over finances and kept track of every cent they spent.
